Light Of The Word Brief Reflections On The Sunday Readings:

Light of the Word Hans Urs von Balthasar, 1993-01-01 It is not only the Catholics who attend Sunday Mass but also the priests who preach at Mass who feel overwhelmed by the three scripture readings in which for the most part only the first from the Old Testament and the third from the Gospel have any interconnection while the second from the apostolic letters stands by itself This book seeks to present the common theses that connect all three of the readings for Sundays and feasts of the Lord in the three year cycle of readings The reflections here are meant to be theological and spiritual suggestions that the one who is preaching can develop further and from which he can select individual perspectives Rather than seeking immediately concrete applications Fr von Balthasar attempts to elucidate the content which is immediately present in the passages Organized by each Sunday and feast day of the liturgical year for years A B C these reflections are meant to be theological and spiritual suggestions that the one who is preaching can develop further and from which he can select individual perspectives

A Light Unto My Path James J. Bacik, Kevin E. Anderson, 2006 There are many books available on creating a good effective homily This book unique in that it is the product of a long standing dialogue between James Bacik a pastor and theologian and Kevin Anderson a clinical psychologist and author offers those who preach theological perspectives and practical advice on proclaiming the word of God The authors move through the process of preparing and delivering a homily from its conception to delivery However they emphasize the focus and function of the homily rather than the theme and how this relates the message of the readings to the human or social concerns of the congregation Here is a one of a kind book that includes empirical data in the form of a survey to explore what works and does not work in preaching It will provide a fresh perspective to those in homiletics courses in seminaries as well as hands on advice for those who already preach

Word, Sacrament, Charism Marc Ouellet, 2025-06-02 Cardinal Ouellet offers an ecclesiological key for a better understanding and practice of a Synodal Church He asks what does the future hold for a synodal Church Missionary conversion or confusion Spirits are stirred by the many questions raised by the vast consultation of the people of God gathered under the uncomfortable tent of synodality In our desire for reforms the Cardinal says that we are losing sight of the one perfect model the archetype Mary and that we should keep our gaze constantly fixed on Our Lady in order to know ourselves what the Church the ecclesial spirit ecclesial behaviour really are He states that the main weakness in the synodal process has been the lack of theological reflection which risks leaving the Church at the level of charitable NGOs This book proposes to fill this gap in the hope that the synodal operation will go further than the sociology of changing structures and the distribution of power Hence the elements proposed by Ouellet for a more Trinitarian pneumatological Marian and nuptial ecclesiology to prevent the Church from being divided into ideological struggles that extinguish the flame of mission The boldness of this book is to highlight the charismatic dimension of the Church too long neglected for lack of pneumatology Its revolutionary originality lies in placing the charism on the same footing as the Word and the Sacrament

Balthasar on

the 'Spiritual Senses' Mark McInroy, 2014-05 Examines Balthasar's recovery of the doctrine of the spiritual senses in the mid 20th century focusing on his model of the perceptual faculties through which one beholds the form that God reveals

Light in Darkness Alyssa Lyra Pitstick, 2007-02-12 He descended into hell Hans Urs von Balthasar one of the most influential theologians of the twentieth century placed this affirmation of the Nicene Creed at the heart of his reflection on the world altering events of Holy Week asserting that this identification of God with the human experience is at the absolute center of the Christian faith Yet is such a descent to suffering really the essence of Catholic belief about the mystery of Holy Saturday Alyssa Lyra Pitstick's Light in Darkness the first comprehensive treatment of Balthasar's theology of Holy Saturday draws on the multiple yet unified resources of authoritative Catholic teaching on Christ's descent to challenge Balthasar's conclusions Pitstick conducts a thorough investigation of Balthasar's position that Christ suffered in his descent into hell and asks whether that is compatible with traditional teaching about Christ Light in Darkness is a thorough argument for the existence and authority of a traditional Catholic doctrine of Christ's descent as manifested in creeds statements of popes and councils Scripture and art from Eastern and Western traditions Pitstick's carefully argued contrarian work is sure to spur debate across the theological spectrum

Behold the Man Harold Burke-Sivers, 2015-09-22 Lucid and inspiring Behold the Man is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man's experience of Christ and help him to know the Lord more intimately

Fire of Mercy, Heart of the Word Erasmo

Leiva-Merikakis,2010-03-25 To the unstudied eye St Matthew's gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is In his second volume of meditations on Matthew chapters 12-18 Erasmo Leiva shows Matthew's prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent but rich with meaning Leiva's work is scholarly but eminently approachable by the lay reader The goal of the book is to help the reader experience the heat of the divine heart the light of the divine Word Leiva comments on the Greek text demonstrating nuances in the text that defy translation He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus

The Meaning of the World Is Love Richard Clements,2022-05-01 Hans Urs von Balthasar 1905-1988 a prolific Catholic theologian from Switzerland has been called a new Father of the Church His work shaped not only by traditional theology and philosophy but by literature art and music made an impact on both Saint John Paul II and Pope Emeritus Benedict XVI Aidan Nichols O P describes Balthasar's fifteen volume masterwork the Trilogy as perhaps the high point of twentieth century Catholic theology Yet for all Balthasar's brilliance the core of his theology is extraordinarily simple love for God is love Love lies at the center of life indeed at the center of being itself For Balthasar the answers to all of man's big existential questions revolve around love The Meaning of the World Is Love compiled by psychologist Richard Clements brings Balthasar's meditations to a wider audience using brief excerpts from the theologian to walk readers through the landscape of divine love which is our home The path of love is the path of self-gift as well as of truth goodness and beauty and it is the only way to genuine fulfillment Balthasar as Clements shows can point us to the very heart of reality God who gives himself to us without reserve

ministry What are practical strategies and solutions for the challenges deacons face especially when conflicts arise within ministry Burke Sivvers also calls for younger more diverse groups of men who reflect on the face of the Church to become permanent deacons in order to bridge the gap between the Church and the world and to reach the unchurched Each chapter contains questions for reflection action steps and prayers to help deacons strengthen their own commitment to their calling Drawing from the writings of St John Paul II and other ecclesial writings about the purpose and gift of the permanent diaconate Burke Sivvers educates and inspires us to more fully appreciate this gift and enriches and encourages those who have themselves answered this call Written for deacons in active ministry Our Life of Service is also inspiring reading for Catholics in the pew who are considering a call or who simply want to understand the purpose and gift of the permanent diaconate

Fire of Mercy, Heart of the Word, Vol 2 Erasmo Leiva-Merikakis,1996-01-01 To the unstudied eye St Matthew s gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is In his third volume of meditations on Matthew chapters 19-25 Erasmo Leiva continues to show Matthew s prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a verse or two pointing to some facet of the text not immediately apparent but rich with meaning Leiva s work is scholarly but eminently approachable by the lay reader The tone is very much of taste and see how good the Lord is and an invitation of friend come up higher The goal of the book is to help the reader experience the heat of the divine heart and the light of the divine Word Leiva comments on the Greek text demonstrating nuances in the text that defy translation He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus

Hans Urs von Balthasar on the Spiritual Exercises Hans Urs Von Balthasar,2019-05-20 I would like one day Hans Urs von Balthasar wrote in 1952 to write a book on Ignatius of Loyola the saint of whom I will always consider myself the least of sons The Jesuit formed theologian from Switzerland widely considered one of the greatest thinkers and spiritual writers of modern times never got the chance to fulfill this dream Instead Balthasar s whole theology from *Theo Drama* to *Dare We Hope That All Men Be Saved* is imbued with the influence of Saint Ignatius founder of the Society of Jesus and author of the *Spiritual Exercises* a multi week retreat guide that has rejuvenated Catholic spirituality since the sixteenth century Throughout Balthasar s priestly life he led countless retreatants in the Ignatian Exercises accompanying them in their discernment of God s call This anthology is an aid for those either giving or making an Ignatian retreat Full of citations and equipped with four indexes as well as many texts never before translated into English it sifts Balthasar s writings for insights into almost every element of Ignatius libretto sometimes diving into themes scarcely explored by others Moreover it maps out those hidden strains of Jesuit spirituality that run unnoticed through the theologian s oeuvre Yet the book may help anyone at all who wants to engage more deeply with Jesus or come to grips with Church doctrine for as Balthasar himself

says the Spiritual Exercises are both a great school of Christocentric contemplation and a genuine interpretation of the deposit of the faith

All Wonders in One Sight Theresa M. Kenney, 2021-03-18 All Wonders in One Sight compares the portrayals of the Christ Child in the Nativity poems of the greatest names in seventeenth century English lyric *Did Jesus Rise from the Dead?* Matthew Levering, 2019-02-07 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

Listening to the Fathers: Philip Krill, 2020-09-14 LISTENING TO THE FATHERS A Year of Neo patristic Reflections is a day by day prayer journey based on selections from the Early Church Fathers In this book of prayers Philip Krill whose personal mission is to promote a Trinitarian vision of deification and contemplative prayer seeks to introduce the reader to the Fathers vision of divinization in Christ and the universally salvific impact of His Incarnation It is also his hope that those who pray with these texts will enter more deeply into contemplative prayer

The Eucharistic Form of God Jonathan Martin Ciraulo, 2022-03-15 This study presents Hans Urs von Balthasar s theology of the Eucharist and shows its significance for contemporary sacramental theology Anyone who seeks to offer a systematic account of Hans Urs von Balthasar s theology of the Eucharist and the liturgy is confronted with at least two obstacles First his reflections on the Eucharist are scattered throughout an immense and complex corpus of writings Second the most distinctive feature of his theology of the Eucharist is the inseparability of his sacramental theology from his speculative account of the central mysteries of the Christian faith In *The Eucharistic Form of God* the first book length study to explore Balthasar s eucharistic theology in English Jonathan Martin Ciraulo brings together the fields of liturgical studies sacramental theology and systematic theology to examine both how the Eucharist functions in Balthasar s theology in general and how it is in fact generative of his most unique and consequential theological positions He demonstrates that Balthasar is a eucharistic theologian of the highest caliber and that his contributions to sacramental theology although little

acknowledged today have enormous potential to reshape many discussions in the field The chapters cover a range of themes not often included in sacramental theology including the doctrine of the Trinity the Incarnation and soteriology In addition to treating Balthasar s own sources Origen Gregory of Nyssa Pascal Catherine of Siena and Bernanos Ciraulo brings Balthasar into conversation with contemporary Catholic sacramental theology including the work of Louis Marie Chauvet and Jean Yves Lacoste The overall result is a demanding but satisfying presentation of Balthasar s contribution to sacramental theology The audience for this volume is students and scholars who are interested in Balthasar s thought as well as theologians who are working in the area of sacramental and liturgical theology
