Light In The Dark Belt:

Light in the Dark Belt Rosa Young, 1951-11 *Light in the Dark Belt* is the inspiring story of Rosa Young who labored tirelessly in service to Christ to establish Christian schools among the African American communities throughout the Deep South

A Rumor of Black Lutherans James R. Thomas, 2024-05-28 The history of Lutheran engagement in the Black context in the United States is regrettably thin The book helps Lutherans in the US and other students of American history to assemble a complete account of the role of early American Lutherans in higher education among African Americans The book does so by tracing the stories of ten remarkable African Americans from their encounters with Lutherans through to the powerful and impactful lives of ministry and service they went on to lead Diverse in place time and work these ten mini biographies paint a richly unified portrait of the ways Lutherans have supported African Americans in higher educational pursuits
