## **Like Riding A Bike On Learning As An Adult:**

**It'S Like Riding a Bike** David M. Schmittou, 2017-03-22 Since the enactment of No Child Left Behind and the more recent Every Child Succeeds Act you would think student achievement would be on the rise But SAT scores are dipping college and career readiness are at all time lows and parents are wondering what's gone wrong David M Schmittou Ed D a career educator seeks to find out why by asking a simple question Why do we have such a difficult time remembering what we learned in school and yet we never forget how to ride a bike something we learned when we were five or six Riding a bicycle requires fine motor controls concentration dexterity and balance but children can master the skill even before they enter school Students can learn academic subjects in the same fashion but it will require us to take a radical new approach to education one that requires learners to enter real world settings instead of classrooms separated from reality We can no longer afford to spend millions of dollars without seeing results It's time to bolster education for all by mastering the ideas and principles in *It's Like Riding a Bike*
