Marissa R. Moss,2025-09-23 In country music the men might dominate the radio waves But it s women like Maren Morris Mickey Guyton and Kacey Musgraves who are making history This is the full and unbridled story of the past twenty years of country music seen through the lens of these trailblazers careers their paths to stardom and their battles against a deeply embedded boys club as well as their efforts to transform the genre into a more inclusive place as told by award winning Nashville journalist Marissa R Moss For the women of country music 1999 was an entirely different universe a brief blip in time when women like Shania Twain and the Chicks topped every chart and made country music a woman s world But the industry which prefers its stars to be neutral be obedient and never rock the boat had other plans It wanted its women to shut up and sing or else In 2021 women are played on country radio as little as 10 percent of the time but they re still selling out arenas as Kacey Musgraves does and becoming infinitely bigger live draws than most of their male counterparts creating massive pop crossover hits like Maren Morris s The Middle pushing the industry to confront its racial biases with Mickey Guyton s Black Like Me and winning heaps of Grammy nominations Her Country is the story of how in the past two decades country s women fought back against systems designed to keep them down and created entirely new pathways to success It s the behind the scenes story of how women like Kacey Mickey Maren Miranda Lambert Rissi Palmer Brandi Carlile and many more have reinvented their place in an industry stacked against them When the rules stopped working for these women they threw them out made their own and took control changing the genre forever and for the better **Rainbow Relatives** Sudi "Rick" Karatas,2018-05-08 Whether you have your own questions because you re preparing to come out to your kids or you aren t sure how to explain to your kids why their uncle has a boyfriend or why their friend has two mommies this book can help With an entertaining and educational approach to educating yourself and your peers about the issues and topics
