Billy H. Doyle

Lily B On The Brink Of Paris:

Lily B on the Brink of Paris Elizabeth Cody Kimmel, 2006 Spin the Bottle Elizabeth Cody Kimmel, 2008 With the tradition of Spin the Bottle on the brink of being played before Drama Club's opening night Phoebe worries about an untimely revelation of her secret crush a betrayal by her supposed best friend and the happenings of the two Drama Divas before the curtain finally goes up Legend of the Ghost Dog Elizabeth Cody Kimmel, 2012-11-01 A thrilling mystery set against a stark landscape and the inspiration of Nome's real life dog hero Balto Twelve year old Tee has just moved to Nome Alaska with her writer father and sullen little brother Jack Jack isn't happy about the idea of living in the middle of nowhere but Tee and her dog Henry are thrilled so much open space to run around and sniff But on a walk near their new house Henry spots something that has him seriously spooked Tee sees a mysterious shadow and it seems to be following them Have they disturbed a restless spirit And what other secrets might this dark place be holding Popular Series Fiction for K-6 Readers Rebecca L. Thomas, Catherine Barr, 2009 Indexes popular fiction series for K-6 readers with groupings based on thematic consistent setting or consistent characters Annotated entries are arranged alphabetically by series name and include author publisher date grade level genre and a list of individual titles in the series Volume is indexed by author title and subject genre and includes appendixes suggesting books for boys girls and reluctant ESL readers *Lily B. on the Brink of Love* Elizabeth Cody Kimmel, 2006-12 Aspiring author and eighth grader Lily Blennerhassett hones her writing skills as her school newspaper's advice columnist while also trying to get her first crush The Boy to notice her The Writers Directory, 2013 **The Horn Book Guide to Children's and Young Adult Books**, 2007 Children's Book Review Index 2008 Dana Ferguson, 2008-08-15 The Children's Book Review Index contains review citations to give your students and researchers access to reviewers comments and opinions on thousands of books periodicals books on tape and electronic media intended and or recommended for children through age 10 The volume makes it easy to find a review by author's name book title or illustrator and fully indexes more than 600 periodicals The Publishers Weekly, 2007 **Junior High School Library Catalog**, 2007 **School Library Journal**, 2007 *Holstein-Friesian Herd-book* Holstein-Friesian Association of America, 1922 **Holstein-Friesian Herd Book** Holstein-Friesian Association of Canada, 1922 **The Reputation of Edward II, 1305-1697** Kit Heyam, 2025-10-01 During his lifetime and the four centuries following his death King Edward II 1307-1327 acquired a reputation for having engaged in sexual and romantic relationships with his male favourites and having been murdered by penetration with a red hot spit This book provides the first account of how this reputation developed providing new insights into the processes and priorities that shaped narratives of sexual transgression in medieval and early modern England In doing so it analyses the changing vocabulary of sexual transgression in English Latin and French the conditions that created space for sympathetic depictions of same sex love and the use of medieval history in early modern political polemic It also focuses in particular on the cultural impact of Christopher Marlowe's Edward II c 1591-92 Through

such close readings of poetry and drama alongside chronicle accounts and political pamphlets it demonstrates that Edward's medieval and early modern afterlife was significantly shaped by the influence of literary texts and techniques. A literary transformation of historiographical methodology is it argues an apposite response to the factors that shaped medieval and early modern narratives of the past.

Pope's "Iliad" Steven Shankman, 2009-06-01 Explaining why the English Augustan Age could more accurately be called the Age of Passion than the Age of Reason this book recovers the interpretive and stylistic aims of Pope and his contemporaries and addresses objections that have lost Pope's Iliad the audience it deserves. Controversial even before the appearance of the first of its six volumes in 1715 the work remains so today little read in spite of Samuel Johnson's declaration that it is the noblest version translation of poetry the world has ever seen. Steven Shankman shows that Pope's translation embodies a much finer understanding of the sense and spirit of the original than has been generally recognized. Examining relevant documents in the history of literary theory and literary style from antiquity through the eighteenth century Professor Shankman offers a fresh and full interpretation of Pope's achievement. He also redeems some of Pope's shrewdest observations on key difficulties in the interpretation of Homer. The English Augustan poets could proudly say that although many of their works were matched or surpassed by ancient Greece and Rome or by more contemporary Italy and France they alone raised poetic translation to the status of great art. This book illuminates their accomplishment and it has important implications for problems of literary translation that we face today.

Aquinas, Bonaventure, and the Scholastic Culture of Medieval Paris Randall B. Smith, 2021-02-04 In this volume Randall B. Smith provides a revisionist account of the scholastic culture that flourished in Paris during the High Middle Ages. Exploring the educational culture that informed the intellectual and mental habits of Thomas Aquinas and Bonaventure he offers an in depth study of the prologues and preaching skills of these two masters. Smith reveals the intricate interrelationships between the three duties of the master: lectio (reading), disputatio (debate), and praedicatio (preaching). He also analyzes each of Aquinas and Bonaventure's prologues from their student days to their final works revealing both their artistry and their instructional character. Written in an engaging style this book serves as an invaluable resource that will enable scholars and students to read thirteenth century sermons, prologues, and biblical commentaries with greater understanding and ease.

The Romaunt of the Rose Charles Dahlberg, 1999 The Romaunt of the Rose translates in abridged form a long dream vision part elegant romance part rollicking satire written in France during the thirteenth century. The French original *Le Roman de la Rose* had a profound influence on Chaucer who says he translated the work. From the sixteenth century to the mid nineteenth century scholars assumed that the Romaunt comprised large fragments of that translation. Subsequent debates have divided the Romaunt into two or three segments and proffered arguments that Chaucer was responsible for one or more of them or for none. The current consensus is that he almost certainly wrote the first 1,705 lines. Charles Dahlberg's edition of the Romaunt provides a full summary of scholarship on the question of authorship as well as other important topics including a useful survey of the

influence of the French poem on Chaucer Book Review Index ,2006 Every 3rd issue is a quarterly cumulation *The Anatomy of Tudor Literature* Mike Pincombe,2018-02-06 This title was first published in 2001 Is there such a thing as Tudor literature The question is the theme that binds the essays in this collection Scholars from around the world address the question of whether there is a sense of continuity in the literature of the Tudor century The volume begins by looking at early Tudor writers such as Thomas More and then moves on to look at Elizabethan poetry and prose ending by covering the late Tudor dramas and Shakespeare **The Ultimate Directory of Silent Screen Performers** Billy H. Doyle,1995 Libraries abound with books on silent film history and numerous biographies on the legendary stars but what about the thousands and thousands of actors who never obtained legendary status Film enthusiasts with easy access to silent films today have become interested in those long ago players who supported the star This necrology is devoted solely to the actors of the Silent Screen The book includes entries for some 7 500 deceased actors as well as directors producers writers politicians and sports figures who appeared in silent films Included are 50 biographical essays on former stars leading players and comedians who until now have been primarily footnotes in film history The essays relate the early demise of promising players how some lived lives as tragic as any they portrayed on the screen and how some lived long lives on the fringes of past glory totally forgotten Invaluable to film researchers and enthusiasts who want to know what happened to the actors of the silent screen who made shadows an art form
