Bascom,2019-12-18 While God desires us to experience Him intimately and passionately every day we still often see boredom and a lack of excitement regarding life with God What exactly is the problem Could it be that we are bored and no longer see ourselves involved in the biblical experience of Christianity Could it be that we have allowed guilt and shame to plague our lives and steal our freedom Could it be that we have not stepped into the calling God has on our lives These are huge possibilities However there is good news The good news is for the Christian We serve a God who can be experienced today

Experiential God is a call to the distant and distracted It is an invitation into the experience God intends for His people
