operations and labor      **A Handbook of Agriculture** Wisconsin Farmers' Institutes, 1912      Occupational Outlook Handbook, 2008      **No Experience Necessary** Norman Van Aken, 2013-12-07 No Experience Necessary is Chef Norman Van Aken's joyride of a memoir. In it he spans twenty plus years and nearly as many jobs including the fateful job advertisement in the local paper for a short order cook with no experience necessary. Long considered a culinary renegade and a pioneering chef, Van Aken is an American original who chopped and charred, sweated and seared his way to cooking stardom with no formal training but with extra helpings of energy, creativity and faith. After landing on the deceptively breezy shores of Key West, Van Aken faced hurricanes, economic downturns and mercurial moneymen during the decades when a restaurant could open and close faster than you can type haute cuisine. From a graveyard shift grunt at an all night barbeque joint to a James Beard award finalist for best restaurant in America, Van Aken put his trusting heart, poetic soul, natural talent and ever expanding experience into every venture and helped transform the American culinary landscape along the way. In the irreverent tradition of Anthony Bourdain's *Kitchen Confidential* and populated by a rogues gallery of colorful characters including movie stars, legendary musicians and culinary giants Julia Child, Emeril Lagasse and Charlie Trotter, *No Experience Necessary* offers a uniquely personal, highly entertaining, under the tablecloth view of the high stakes world of American cuisine, told with wit, insight and great affection by a natural storyteller.
