McCarthy, George B. Allison, 1979 Linebacker II: Tommy Towery, Lt. - George B. Allison, McCarthy, 2018-10-08 This book is a narrative drawn from the era of the Southeast Asian conflict detailing a unique event in that lengthy struggle The event was called LINEBACKER II and for the first time in contemporary warfare heavy jet bombers were employed in their designed role to conduct extended strategic operations against the war-making capacity of a hostile nation This was the massive bombing of North Vietnam at the end of 1972 This monograph tells part of the story of Strategic Air Command's participation in LINEBACKER II In so doing it addresses the efforts of a complex mixture of Air Force and sister service operations with all services working in concert towards a common goal Rather than develop a complete chronology or blow by blow account which are matters of record in other works the campaign is pursued more from the personal perspective Herein is described the impact of LINEBACKER II on those in command plus those in operations maintenance and support who undergirded the effort and the crewmembers The narrative tells how they successfully met a staggering challenge There was no book to follow In only eleven days of intense combat operations they wrote their own book as they supported and flew the missions That book revealed an across the board ability to radically change complex procedures and tactics on short notice and a commensurate ability of aircrew and support personnel to execute them to near perfection Linebacker II A View from the Rock was first published in 1976 by the Airpower Research Institute of the Air War College located at Maxwell Air Force Base Alabama The credits list Brig General James R McCarthy and Lt Colonel George B Allison and the General Editor Colonel Robert B Rayfield It was assigned ISBN 0 912799 31 5 In 1979 it was reformatted and reprinted by the Office of Air Force History as USAF Southeast Asia Monograph Series Volume VI Monograph 8 Booksellers now list the printed version of the book as Out of Print Limited Availability Even the reprint is no longer available for sale by the Supt of Docs Government Printing Office according to the G P O's Catalog of U S Government Publications The Air Force Historical Studies Office's website contains a 1985 PDF image version of the book Their copyright policy states The AFHSO Web site is provided as a public service by the Air Force History and Museums program Information presented on this Web site is public information and may be redistributed or copied The PDF version on their site is a series of 226 pictures of the individual pages of the book and not text in the traditional sense that can be copied into a word processor or published as a readable e book To transform the book into something that could be republished required the lengthy process of working with each individual page using OCR software to extract the words from the pictures To augment this revived book an introduction and personal insights by this author an Arc Light Mission Planner in the Linebacker II Operation have been included The fundamental goal of this project is to once again make the out of print book available to the general public in a readable format for historical

Air Force,2015-03-03 This is a narrative drawn from the era of the Southeast Asian conflict detailing a unique event in that lengthy struggle The event was called LINEBACKER II a nickname like thousands of others used to identify an operation project or mission associated with military affairs It so differed from the many others however in its execution and outcome that it stands alone For the first time in contemporary warfare heavy jet bombers were employed in their designed role to conduct extended strategic operations against the warmaking capacity of a hostile nation This monograph tells part of the story of Strategic Air Command s participation in LINEBACKER II In so doing it addresses the efforts of a complex mixture of Air Force and sister service operations with all services working in concert towards a common goal Rather than develop a complete chronology or blow by blow account which are matters of record in other works the campaign is pursued more from the personal perspective Herein is described the impact of LINEBACKER II on those in command plus those in operations maintenance and support who undergirded the effort and the crewmembers The narrative tells how they successfully met a staggering challenge There was no book to follow In only eleven days of intense combat operations they wrote their own book as they supported and flew the missions That book revealed an across the board ability to radically change complex procedures and tactics on short notice and a commensurate ability of aircrew and support personnel to execute them to near perfection In reviewing their story we find insight as to why the nation and the military need this caliber of people who stepped forward when the need arose demonstrated superior leadership determination and resiliency did the job and then dispersed into the more normal patterns of life Many have since retired or separated from active service Yet it is clear that the ultimate well being of our military structure in society must hinge on the continuing presence of this breed of people Theirs was an achievement born of great ability and courage and deserving of great honor

Head,2003-05-30 Examining wars from the allied victory in World War II to the conflict in Viet Nam and finally to the operations in the Gulf and Kosovo this book presents a comprehensive look at the evolution of strategic air attack theory and doctrine over the years **Air University Quarterly Review** ,1987 **To Hanoi and Back** Wayne Thompson,2014-07-15 After nearly eighteen months of the largely unsuccessful bombing campaign called Operation Rolling Thunder the US Air Force began to look for ways to overcome technological geographical and political challenges in North Vietnam and use limited air power more effectively In 1972 the two Linebacker campaigns joined with other air operations to make a dramatic although temporary difference While they unleashed powerful B 52 area bombers the campaigns also demonstrated the efficacy of newly developed laser guided precision bombs Drawing upon twenty years of research in classified records Wayne Thompson integrates operational political and personal detail to present a full history of the Air Force role in the war against North Vietnam He provides an unprecedented view of the motivations and actions of the people involved from aircrews to generals to politicians in every phase of the air campaigns He outlines for instance the political reasons for President Johnson s reluctance to use B 52 bombers against major North Vietnamese targets He also examines how the media influenced US policy and how US prisoners became the war s most celebrated heroes The war in Southeast Asia ultimately pushed the Air Force toward adopting more flexible tactics and incorporating increasingly sophisticated weapons that would shape later conflicts *The Encyclopedia of the Vietnam War* Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to

provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

Air War Vietnam Martin W. Bowman,2025-08-05 Showcasing specific aircraft and highlighting significant missions illuminates the skills and emotions of the men who flew the machines Bowman does an excellent job recounting stories about battles in the air and decision making on the ground The VVA Veteran Martin Bowman s revealing narrative of the aerial conflict in South East Asia 1965 1972 which had its beginnings in 1 November 1955 engulfed Vi tnam Laos and Cambodia and only ended with the fall of S i g n on 30 April 1975 has resulted from decades of painstaking fact finding as well as detailed correspondence with surviving aircrew incorporating a wealth of first hand accounts some never told before supported by dozens of rare and unusual photographs Together they describe in adrenaline pumping accuracy the furious aerial battles of a long suffering and bitter war in South East Asia and in particular the frontline action in the skies over Vietnam that will keep readers on the edge of their seats They too will find a new and useful perspective on a conflict that cost the Americans 58 022 dead and brought the USA worldwide condemnation for its role in Southeast Asia Nearly 2 500 Americans remained missing This work serves as a tribute to the courageous pilots who flew the F 104 Starfighter in the Widowmakers war and B 52 bomber crews on Arc Light Linebacker II strikes and the eleven days of Christmas which ultimately ended the aerial campaign against North Vi tnam And as well strike aircraft such as the USAF F

4 Phantom and the F 105 Thud and the US Navy carrier borne jet and propeller driven strike aircraft and the Americans sworn enemy the North Vietnamese MiG fighters feature large from Rolling Thunder onwards Equally the Hueys and Chinooks and other notable work horses that participated on combat assaults or Ash Trash missions and transports like the C 130 Herky Bird C 123 Provider Caribou and Vietnamese C 47 the Haulers On Call that performed sterling service during the gruelling air campaign are not forgotten either Here at first hand are their stories which also include some of the less publicised American forces like the pilots and crewmen who flew the Bird Dogs and all manner of helicopters as well as the largely forgotten Australian and New Zealand Air Force units and the Anzac Battalions whose valuable contributions are too often overlooked So too is the cost in human misery death and destruction **Publications** United States.
