Listen To Her Voice Women Of The Hebrew Bible:

Listen to Her Voice Miki Raver, 1998-09 In this illustrated retelling of the lives of eighteen women in the Hebrew Bible we are reunited with the stories of remarkable women **Slightly Bad Girls of the Bible** Liz Curtis Higgs, 2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate housewife an envious sister honey we know these women We ve lived with them worked with them or caught a glimpse of them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar despised her mistress Rebekah manipulated her son Leah claimed her sister s husband and Rachel envied her fertile sister They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from Slightly Bad Girls of the Bible Still Got It Liz Curtis Higgs, 2012-07-10 You know Ruth's story Now meet her in person And prepare to be changed Walk with Ruth as she travels from Moab to Bethlehem certain of her calling yet uncertain of her future Hold Naomi s hand and watch love put the pieces of her broken life back together And hang out with Boaz their kinsman redeemer who blesses both women and honors God big time With best selling author Liz Curtis Higgs by your side you ll tarry in the corners of their ancient houses listen to their conversations and consider every word of every verse until you can say I totally get the book of Ruth And I see what God is trying to teach me through this rags to riches redemption story he has a plan for my life Girl does he ever Think of it as time travel without gimmicks gizmos or a DeLorean a novel approach to Bible study that leaps from past to present gleaning timeless truths that speak to the heart The Lost Matriarch Jerry Rabow, 2014-09-01 The Lost Matriarch offers a unique response to the sparse and puzzling biblical treatment of the matriarch Leah Although Leah is a major figure in the book of Genesis the biblical text allows her only a single word of physical description and two lines of direct dialogue The Bible tells us little about the effects of her lifelong struggles in an apparently loveless marriage to Jacob the husband she shares with three other wives including her beautiful younger sister Rachel Fortunately two thousand years of traditional and modern commentators have produced many fascinating interpretations midrash that reveal the far richer story of Leah hidden within the text Through Jerry Rabow s weaving of biblical text and midrash readers learn the lessons of the remarkable Leah who triumphed over adversity and hardship by living a life of moral heroism The Lost Matriarch reveals Leah's full story and invites readers into the delightful provocative world of creative rabbinic and literary commentary By experiencing these midrashic insights and techniques for reading between the lines readers are introduced to what for many will be an exciting new method of personal Bible interpretation The Scarlet Cord Lindsay Hardin Freeman, Karen N. Canton, 2016-10-25 The Scarlet Cord Conversations With God's Chosen Women tells the story of biblical women in a new way drawing the reader further down her spiritual path and closer to Christ And here is why for too long women in the Bible have

been demonized sanctified or simply misunderstood leaving highly stereotyped figures in their wake As a result passionate faithful and bright individuals from Eve to Ruth to Mary Magdalene have lost meaning for many contemporary Christians and non Christians alike Here through storytelling and artwork twelve compelling women of the Bible invite readers to step further into the sacred circle of God's people deepening their faith and joy in all of creation That circle offers more than peace It offers health healing and the knowledge that other women have also trod broken and jagged paths in their search for wholeness By taking this step the reader will discover that challenges experienced by biblical women are not so different from her own including infertility warfare hunger old age grief and sexual conflict Fear of Black Consciousness Lewis R. Gordon, 2025-08-22 Lewis R Gordon's Fear of Black Consciousness is a groundbreaking account of Black consciousness by a leading philosopher In this original and penetrating work Lewis R Gordon one of the leading scholars of Black existentialism and anti Blackness takes the reader on a journey through the historical development of racialized Blackness the problems this kind of consciousness produces and the many creative responses from Black and non Black communities in contemporary struggles for dignity and freedom Skillfully navigating a difficult and traumatic terrain Gordon cuts through the mist of white narcissism and the versions of consciousness it perpetuates He exposes the bad faith at the heart of many discussions about race and racism not only in America but across the globe including those who think of themselves as color blind As Gordon reveals these lies offer many white people an inherited sense of being extraordinary a license to do as they please But for many if not most Blacks to live an ordinary life in a white dominated society is an extraordinary achievement Informed by Gordon's life growing up in Jamaica and the Bronx and taking as a touchstone the pandemic and the uprisings against police violence Fear of Black Consciousness is a groundbreaking work that positions Black consciousness as a political commitment and creative practice richly layered through art love and revolutionary action Women and Judaism Malka Drucker, 2009-04-30 Contributors to Women and Judaism describe the many ways in which women are claiming a place in and changing the face of this ancient religion Women and Judaism the editor writes carries an intention to do more than bring the reader new ideas to ponder For Jewish women it s a charge to claim and re claim their rightful place in their tradition For non Jewish sisters we hope that it encourages you to bring change in your traditions as you learn of our effort to be counted as full members of an ancient spiritual community In this all encompassing exploration of Judaism for the modern woman readers attend the first the Bat Mitzvah 70 years ago hear an imagined response of biblical mothers asked to give up their children and learn how each holiday contains an ecological message Readers explore the power of women within a patriarchal tradition including the story of the first woman rabbi Readers see demonstrations of how women keep body mind and spirit alive read a new view of biblical women as heroic role models and enter the memory of women Holocaust survivors Some contributors write about sexuality power and vulnerability while others present the newest women s rituals including Rosh Hodesh and mikveh Women Healers of the World Holly Bellebuono, 2014-09-09 A celebration

Zucker, Moshe Reiss, 2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis A people's self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis Each woman plays her part in her generation She interacts with and advises her husband seeking to achieve both present and future successes for her family These women act decisively at crucial points through their actions and words their family dynamics change irrevocably Unlike their husbands we know little of their unspoken thoughts or actions What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways The rabbis also speak of these women and contemporary scholars and feminists continue to explore the

Matriarchs in Genesis and later literature Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought In addition we consider Hagar Abraham's second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob's third and fourth wives Girls Life Application Study Bible Tyndale, Tyndale House Publishers Staff, Livingstone, Livingstone Publishing Staff, 2017-07 2017 ECPA Christian Book Award Finalist Bibles category Featuring a fun yellow and teal design the Girls Life Application Study Bible is the only Bible for tween girls based on the 1 selling Life Application Study Bible This new edition includes over 800 Life Application notes plus revamped features and brand new Foundations for Your Faith sections all intended to help girls grow in their Christian faith The eight fun full color sections are designed to help girls learn more about the Bible understand the Bible's big story meet Jesus know what it means to follow him learn how to share their faith with others and gain practical faith and relationship skills that will help them live out what they believe A one of a kind discipleship resource the Girls Life Application Study Bible helps girls draw closer to God and establish healthy relationships with those around them The New Living Translation breathes life into even the most difficult to understand Bible passages changing people s lives as the words speak directly to their hearts **NLT Girls Life Application Study Bible** Tyndale, Livingstone, 2025-12-23 2017 ECPA Christian Book Award Finalist Bibles category The Girls Life Application Study Bible is the only Bible for tween girls based on the 1 selling Life Application Study Bible It includes over 800 Life Application notes plus other features and Foundations for Your Faith sections all intended to help girls grow in their Christian faith The eight full color and fun sections are designed to help girls learn more about the Bible understand the Bible s big story meet Jesus know what it means to follow him learn how to share their faith with others and gain practical faith and relationship skills that will help them live out what they believe A one of a kind discipleship resource the Girls Life Application Study Bible helps girls draw closer to God and establish healthy relationships with those around them The New Living Translation breathes life into even the most difficult to understand Bible passages changing people s lives as the words speak directly to Æthelflæd, Lady of the Mercians, and Women in Tenth-Century England Rebecca Hardie, 2023-11-06 thelfl d their hearts c 870 918 political leader military strategist and administrator of law is one of the most important ruling women in English history Despite her multifaceted roles and family legacy however her reign and relationship with other women in tenth century England have never been the subject of a book length study This interdisciplinary collection of essays redresses a notable hiatus in scholarship of early medieval England thelfl d Lady of the Mercians and Women in Tenth Century England argues for a reassessment of women s political military literary and domestic agency It invites deeper reflection on the female kinships networks and communities that give meaning to thelfl d s life and through this shows how medieval history can invite new engagements with the past The Women's Study Bible Mary J.
