Finn,2020-09-22 This volume provides a documentary history of baptismal thought practice and preparations in Italy North Africa and Egypt from the early second through sixth century The Hallelujah Highway Paul Turner,2000 People and documents that played a significant role in developing and recording the rites

Becoming Catholic David Yamane,2014-03-03 Each year approximately 150 000 Americans convert to Roman Catholicism Catholic converts collectively are 2.6 percent of the U.S. adult population together these 5.85 million individuals would comprise the fifth largest religious body in America just behind the Mormon Church In *Becoming Catholic* David A. Yamane offers the first book length study of Roman Catholic converts in contemporary America **Ancient-Future**

Evangelism (Ancient-Future) Robert E. Webber,2003-11-01 Following his well received *Ancient Future Faith* Robert Webber presents a new model for evangelism and discipleship the first in a series of four books applying his theoretical ideas to practical situations Part 1 of *Ancient Future Evangelism* surveys evangelism and Christian formation throughout the church and then translates the process for twenty first century Christians Webber presents evangelism as four distinct stages and suggests three accompanying rites of passage that can be easily adapted to any church tradition Part 2 underscores how the four fold process of faith formation is interwoven with three theological principles Christ as victor over evil the church as witness to God's salvation and worship as a witness to God's mission accomplished in Jesus *Ancient Future Evangelism* will appeal to both emerging evangelicals as well as traditional church leaders It relates faith to Christian practice by drawing wisdom from the past and translating those insights into the present and future life of the church **Civic Catechisms and**

Reason in the French Revolution Adrian Velicu,2016-05-23 At the heart of the French Revolution there lay a fundamental paradox how to liberate the minds of the people whilst simultaneously ensuring their loyalty to the new regime It is an exploration of the facts and implications of this tension that forms the basis of this study which reconstructs the intellectual world of the Revolution The new radical regime attacked the old institutionalized forms of Catholic worship and instruction yet retained the catechetical outlook with its dogmatic mindset as an important feature of political education Catechisms not only conveyed information in an accessible manner they also revealed the intellectual tendencies of those who favoured the genre Civic catechisms were meant to play an important part of revolutionary instruction they were the only category of texts repeatedly mentioned in the National Assembly and in various pieces of legislation including education bills and there were

calls for a national catechism The status of the catechisms changed throughout the Revolution and this study also investigates the degree of continuity of purpose across the period as well as the catechisms place alongside other texts such as speeches and bills An important contribution to the literature on the intellectual history of the French Revolution this book will also be of interest to scholars of rhetoric education and the intellectual history of the eighteenth century as well as to revolutionary studies in general Context and Text Kevin W. Irwin, 2018-07-12 One of the most influential works in the debate over the concept and definitions of liturgical theology Context and Text by Monsignor Kevin W Irwin is now available in a completely rewritten new edition In light of the historical theological and pastoral mandates of the Constitution on the Sacred Liturgy Context and Text is both a proposal for and an example of an investigation of the Church's liturgical praxis from a liturgical theological perspective This second edition which includes an expanded introduction covers new liturgical and ecclesial contexts resulting from newly promulgated liturgies further research in method for liturgical studies consideration for changes in the cultural contexts in which people celebrate the liturgy Besides brand new chapters on time and sacramentality and additions to the chapter on the arts this edition also considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity **This Assembly of Believers** Bryan Cones, 2020-11-30 Among the symbols with which the liturgy deals none is more important than this assembly of believers This claim made in the 1970s forces the local church to consider those within its congregation and recognise the gifts and challenges of difference within the church community In This Assembly of Believers Bryan Cones seeks to take seriously the pastoral context of a congregation recognising the physical ability gender and sexuality of those who make up the congregation Starting each chapter with their lived experience Cones poses important questions of the liturgy in light of these experiences before realigning the liturgy to demonstrate the positive theological significance of the marginalised within the congregation **The Eastern Church in the Spiritual Marketplace** Amy Slagle, 2011-09-01 Like many Americans the Eastern Orthodox converts in this study are participants in what scholars today refer to as the spiritual marketplace or quest culture of expanding religious diversity and individual choice making that marks the post World War II American religious landscape In this highly readable ethnographic study Slagle explores the ways in which converts clerics and lifelong church members use marketplace metaphors in describing and enacting their religious lives Slagle conducted participant observation and formal semi structured interviews in Orthodox churches in Pittsburgh Pennsylvania and Jackson Mississippi Known among Orthodox Christians as the Holy Land of North American Orthodoxy Pittsburgh offers an important context for exploring the interplay of Orthodox Christianity with the mainstreams of American religious life Slagle's second round of research in Jackson sheds light on the American Bible Belt where over the past thirty years the Orthodox Church in America has marshaled significant resources to build mission parishes Relatively few ethnographic studies have examined Eastern Orthodox Christianity in the United States and Slagle's book fills a significant gap This lucidly written book is an

ideal selection for courses in the sociology and anthropology of religion contemporary Christianity and religious change Scholars of Orthodox Christianity as well as clerical and lay people interested in Eastern Orthodoxy will find this book to be of great appeal

Dynamic Catholicism Thomas Bokenkotter, 2010-06-30 Formerly Essential Catholicism this book has been retitled to reflect how through the centuries the Roman Catholic Church has evolved in many aspects of its teaching The new title also reflects how theologians today grapple with ever new ways of understanding many facets of Catholic belief and practice Who is Jesus Or Mary Who are the saints How are theologians trying to understand such topics as marriage divorce homosexuality What of social justice The relationship of conscience to papal authority Thomas Bokenkotter masterfully shows how these questions and many others have been answered in different ways through the centuries He also translates the latest theological writings on these topics into plain language My aim he says has been to sift through and select what seems most helpful and enlightening for those who seek an understanding of the essentials of Catholicism today Here then is a book for all Catholics those assured in their belief and those questioning it

T&T Clark Handbook of Sacraments and Sacramentality Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in

Christian traditions baptism eucharist Lord's Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies *Liminal Reality and Transformational Power* Timothy Carson, 2016-04-28 *Liminal Reality and Transformational Power* explores draws together and integrates the many facets of liminality and informs our understanding of liminal phenomena in the world Through anthropology sociology theology neurology and psychology Carson correlates exterior transitions with their corresponding intra psychic movements and points toward useful methods that contribute to personal and social transformation In this revised edition Carson has recognised the resurgence of liminality and addresses the social transitions that are prevalent today in communities around the world He examines the identity of the liminal person and highlights the role of ritual leaders and religious professionals as they guide people through liminal time and space Carson's work greatly contributes to an expanded understanding of the complex dimensions of religious leadership and provides useful insight into our intra psychic processes during the significant transitional stages in life **Continuing the Reformation** Ruth A. Meyers, 2000-01-01 This book documents the Episcopal Church's developing focus on baptism within the context of the liturgical movement the emerging understanding of the eucharist prayer book revision and the confirmation dilemma Drawing on historical and contemporary sources the author presents a credible case in support of her belief that a baptismal ecclesiology is emerging from these events that have enabled people to accept a radically different initiatory pattern in the church This book exhibits clarity on the issues discussed with the support of solid scholarship and lucid writing Signs of Freedom German Martinez, 2003 Modern secular culture has severely eroded the religious foundations on which traditional sacramental practice was based Built upon the sacramental bedrock the very Christian identity and mission were affected German Martinez looks at this challenge from the perspective of freedom as an opportunity to develop a sacramental worldview relevant to the new millennium To this effect he applies a series of methodologies and fresh pastoral approaches to the highly complex sacramental reality and to each individual sacrament Beginning with ten key interpretative elements he offers a coherent synthesis of the remarkable development of sacramental theology in our time Envisioned for both scholarly research and pastoral ministry this book presents the key issues of a renewed sacramentality rooted in ordinary life and celebrated in the liturgical mystery This theology is grounded in a biblical patristic historical and theological background It tries to articulate especially the Christological ecclesial individual and social aspects of the celebration of the sacraments as a dynamic and organic whole emphasizing their spirituality The material is organized into four parts the Sacramental Way of Life the Initiation and Foundational Church the Healing Church the Church at the service of Communion Highlights scholarly yet pastorally sensitive perfect text for courses on the sacraments solid one volume comprehensive text **On the Rite of Election** Rita Ferrone, 1994 The Forum Essays series is a cooperative effort of The North American Forum on the

Catechumenate and Liturgy Training Publications The purpose of the series is to provide a forum for exploring issues emerging from the implementation of the order of Christian initiation They are a great resource for anyone involved in initiation ministry and especially for pastors and RCIA directors *Drenched in Grace* Lizette Larson-Miller,Walter Knowles,2013-06-26 The importance of baptism within Christian history theology and practice is of the first order Rooted in Christian Scripture baptism is initiation into Jesus Christ and the sacramental beginning of engagement with the church the body of Christ In recent decades the relationship between baptismal theology and ecclesiology has changed Rather than focusing solely on the implications of baptism for individuals the center of theological conversation has moved increasingly to the nature of baptism as formative of the church One of the pioneers in exploring this theological issue in the United States has been the Rev Dr Louis Weil who from the time he helped author the 1979 Book of Common Prayer has advocated for an approach called baptismal ecclesiology In a number of essays since the 1980s Dr Weil has encouraged an increasingly ecumenical conversation around this particular approach to ecclesiology This ecumenical collection of essays by a distinguished and international group of sixteen scholars continues the conversation on liturgy and ecclesiology begun by Fr Weil Word and Sacrament Dan Alger,2023-05-01 Anglican church planting veteran Dan Alger shows pastors how the rich traditions of liturgical worship are a gift to the work of starting new churches
