Mafias On The Move How Organized Crime Conquers New Territories:

Mafias on the Move Federico Varese, 2013-02-24 Annotation Organised crime is spreading like a global virus as mobs take advantage of open borders to establish local franchises at will This book argues that mafiosi often find themselves abroad against their will rather than through a strategic plan to colonise the territories Criminal Markets and Mafia Proceeds Ernesto Savona, Francesco Calderoni, 2016-03-22 This book estimates the proceeds of crime and mafia revenues for different criminal markets such as sexual exploitation drugs illicit cigarettes loan sharking extortion racketeering counterfeiting illicit firearms illegal gambling and illicit waste management It is the first time that scholars have adopted detailed methodologies to ensure the highest reliability and validity of the estimation Overall estimated proceeds of crime amount to 22 8 billion 1 5% of the Italian GDP Of this up to 10 7 billion 0 7 of the GDP may be attributable to the Italian mafias These figures are considerably lower than the ones most frequently circulated on the news without any details about their methodology which were defined by a UN study as gross overestimates Far from underestimating criminal revenues the results of this study bring the issue of the proceeds of crime to an empirically based debate providing support for improved future estimates and more effective policies The volume s contributions were inspired by a project awarded by the Italian Ministry of Interior to Transcrime which produced the first report on mafia investments www.investimentioc.it This book was originally published as a special issue of *Global Crime* *From Mafia to Organised Crime* Anna Sergi, 2017-07-19 This book presents primary research conducted in Italy USA Australia and the UK on countering strategies and institutional perceptions of Italian mafias and local organized crime groups Through interviews and interpretation of original documents this study firstly demonstrates the interaction between institutional understanding of the criminal threats and historical events that have shaped these perceptions Secondly it combines analysis of policies and criminal law provisions to identify how policing models which combat mafia and organised crime activities are organized and constructed in each country within a comparative perspective After presenting the similarities between the four differing policing models Sergi pushes the comparison further by identifying both conceptual and procedural convergences and divergences across both the four models and within international frameworks By looking at topics as varied as mafia mobility money laundering drug networks and gang violence this book ultimately seeks to reconsider the conceptualizations of both mafia and organized crime from a socio behavioural and cultural perspective **Mafia Raj** Lucia Michelutti, Ashraf Hoque, Nicolas Martin, David Picherit, Paul Rollier, Arild E Ruud, Clarinda Still, 2023-05-25 The authors illustrate the art of bossing techniques and methods used by such figures to climb to power and maintain their sovereignty A Y Lee Choice Mafia has become an indigenous South Asian term Like Italian mobsters the South Asian gangster politicians are known for inflicting brutal violence while simultaneously upholding vigilante justice inspiring fear and fantasy But the term also refers to the diffuse spheres of crime business and politics operating within a shadow world that is popularly referred to as the rule of the mafia or Mafia Raj Through intimate

stories of the lives of powerful and aspiring bosses in India Pakistan and Bangladesh this book illustrates their personal struggles for sovereignty as they climb the ladder of success Ethnographically tracing the particularities of the South Asian case the authors theorize what they call the art of bossing providing nuanced ideas about crime corruption and the lure of the strongman across the world Through meticulous and uniquely collaborative ethnography Mafia Raj opens readers eyes to the murky world of bosses in South Asia With unforgettable portraits of the gangsters politicians hustlers and extortionists dotting the region this is the rare scholarly account that upends our commonly accepted notions of democracy formality and legitimacy Milan Vaishnav author of *When Crime Pays Money and Muscle in Indian Politics* Why does the figure of the boss in its various guises loom so large in South Asia In answering this question the authors of this engagingly written book make a path breaking contribution to the study of South Asian politics John Harriss author of *India Continuity and Change in the Twenty First Century*

Economic Forms of Violence in Camorra Clans focuses attention on the phenomenon of violence performed by Italian organised crime groups devoting specific attention to the Camorra which has been responsible since the mid 1980s for almost half of all mafia homicides documented in Italy. The Camorra has acquired increased visibility at an international level due to its intense use of violence and high level of dangerousness but until now the study of the different forms of violence implemented by mafias has not received systematic attention at the scientific level. Hence this book fills this gap by providing a both theoretical and empirical contribution toward the analysis of one of the most unknown although highly visible and dangerous dimension of mafias action. This collection of work by distinguished scholars provides a unique overview of the multifaceted characteristics of violence currently performed by mafia groups in Italy by focusing on specific actors i.e. Camorra clans but also other traditional mafia organisations such as Cosa Nostra and Ndrangheta specific contexts i.e. different territories and different markets both legal and illegal and specific practices and performances. Part I takes a diachronic and comparative perspective to provide an overview of mafias violence during the past 30 years focusing on the three most prominent criminal organisations active in Italy: Camorra, Cosa Nostra and Ndrangheta. Based on the outcomes of a major project carried out by a research group at the University of Naples Federico II from 2015 to 2017, Part II looks at the use of violence by Camorra clans incorporating information from case studies, judicial files, law enforcement investigations, wiretappings, interviews with privileged observers, firsthand empirical data and historical documents and social sciences literature. Using a multi-disciplinary approach drawing from criminology, sociology, history, anthropology, economics, political science and geography, this book is essential reading for international researchers and practitioners interested in piecing together the full picture of modern organised crime.

Mafias On The Move How Organized Crime Conquers New Territories Introduction

In today's digital age, the availability of Mafias On The Move How Organized Crime Conquers New Territories books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mafias On The Move How Organized Crime Conquers New Territories books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mafias On The Move How Organized Crime Conquers New Territories books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mafias On The Move How Organized Crime Conquers New Territories versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mafias On The Move How Organized Crime Conquers New Territories books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mafias On The Move How Organized Crime Conquers New Territories books and manuals, several platforms offer an extensive

collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mafias On The Move How Organized Crime Conquers New Territories books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mafias On The Move How Organized Crime Conquers New Territories books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mafias On The Move How Organized Crime Conquers New Territories books and manuals for download and embark on your journey of knowledge?
