

MCAS Released Item
Grade 3 2019 Constructed Response

Write a paragraph to explain how the author of "Humpback Whale: The Singer" describes whale songs. Support your response with important details from the article.

Main Idea: Describe whale songs.

Detail #1: types of sounds

Detail #2: why they sing

Detail #3: changing songs

This student understands the organization of a paragraph with a main idea and details. Through the use of the detail generating questions to pull out important evidence and then explain that evidence, this was an effective piece. This Score Point 3 paper is a great example of the application of the EW skills.

What worked:

- **Organization:** This piece includes a main idea sentence and several details to support that main idea. It was clear that the student understood the purpose for the writing.
- **Elaboration:** The author was able to include elaboration through the use of the detail generating questions - What does it look like? And Why is it important? In this response to text, the detail generating questions provide a frame for locating specific evidence and explaining that evidence. What does it sound like when whales sing? The student writes, "The author does that by saying sailors heard moans, grunts, squeals and roars." The writer goes on to explain why this is important, "The author also says whale songs are how whales stay in touch." This type of evidence and explanation are woven into the paragraph.
