The Strengths-Focused Guide to Leadership Mike Roarty, Kathy

Toogood, 2014-11-10 This effective guide shows you how to identify and develop the strengths of both yourself and your people and ensure that talent is spotted and nurtured at every step Strengths Focused Leadership is the only step by step practical guide on the market to identifying and enhancing people's innate strengths which leads to higher levels of energy job satisfaction and engagement Rather than relying on online assessment tools this book shows you how to discover your strengths yourself and how to use this process to assist others The authors have used their executive coaching backgrounds to build a practical model for using and applying the strengths focus The MORE model focuses on 4 key elements: Myself how do I identify and develop my own strengths and overcome my weaknesses Others how do I help my people do the same Regular conversations how do I ensure that strengths thinking becomes part of business as usual Employee processes how do I apply a strengths focus to recruitment induction and performance Broken into 3 chapters on each element the Model teaches you how to use the strengths focus to tackle key business challenges: collaboration change and strategy

Handbook on Responsible Leadership and Governance in Global Business Jonathan P. Doh, Stephen A.

Stumpf, 2005 Reading these various non technical articles is undeniably valuable for any person: teachers, executives, students who is concerned about the behaviour of major companies, managers in the context of globalisation and economy liberalisation Gestion 2000 A profoundly important book for scholars and leaders alike that makes a vital, timely contribution to the behavioral perspectives on leadership and governance Doh and Stumpf along with their world renowned contributors apply solidly anchored academic wisdom to offer fresh ideas on restoring faith in the integrity of American enterprise Jeffrey Sonnenfeld, Yale School of Management President and CEO, Chief Executive, Leadership Institute and author of Leadership and Governance From The Inside Out Ethics, social responsibility, leadership, governance These terms are heard in the classroom, in the boardroom and viewed on the front page of newspapers and magazines Yet serious attention to the relationships among these concepts is lacking Although commitments to leadership ethics and social responsibility are evident, individuals and companies are falling short in combining these duties into policies and cultures that guide behavior and decisions The missing element is a broad based and integrated approach to responsible leadership and governance This volume provides the leading thinking on these issues and includes a discussion of emerging areas that require future attention The contributors, leading scholars in the fields of leadership, governance and social responsibility, summarize the state of the literature, identify complementary insights and perspectives, discuss areas of conflict and disagreement and include a provocative and stimulating agenda for further investigation They point up practical consequences of these perspectives in light of developments that have exposed the shortcomings in practice Several contributors focus specifically on the challenges faced by global companies in developing and maintaining leadership and governance practices that are responsive to different national, institutional and cultural settings Thorough coverage and insightful discussion make this an

essential reference for scholars and students of leadership corporate responsibility and professional ethics as well as for all those directly responsible for establishing the ethical codes and practices of their organizations **The New CEO**

Your Job Survival Guide Gregory Shea PhD, Robert E. Gunther, 2008-08-11. Selected by IBM Competitive Edge Book Club Selection. The beauty of this book on top of its life-saving timeliness is its capacity to give the reader concrete steps to live the good life and enjoy it. The book made me understand that work can be more fun than fun. Warren Bennis Ph.D., University Professor, University of Southern California, coauthor *Judgment: How Great Leaders Make Winning Calls* and *Transparency: How Leaders Create a Culture of Candor*. Change: It's your job. It just won't stop. It's relentless. It keeps coming at you like never-ending rapids in a permanent whitewater river. Change will burn you out if you don't learn how to handle it. This book is not, however, about mere survival. It is about thriving amidst the challenges of your permanent whitewater world at work. Protect your career, improve your resilience, and seize the opportunities in turbulent times. Take charge, learn to pace yourself, set your own course, and lead others in ad hoc teams. Ride the rapids and rediscover play and adventure in today's demanding work environment. Learn from research and the experiences of hundreds of professionals in industries from energy to telecommunications to financial services to health care. There's nothing abstract or cute about the way this book talks about change. This is practical, grounded knowledge for managing your life in a business world that's churning with change. Gregory Shea Ph.D. and Robert Gunther show how to keep your working life on course instead of being pushed beyond your limits, find fun and fulfillment, regroup and rebound from failure, protect yourself from events you can't predict, take charge of your life, and your future.
