

The background of the cover is a painting of a city street at night. On the left, a yellow building with a balcony is visible. In the foreground, there are several small tables and chairs, some of which are occupied by people. The street is paved with cobblestones and reflects the light from the buildings and the sky. The sky is dark blue with some stars and a few wispy clouds. The overall atmosphere is one of a quiet city street at night, with the light from the buildings and the sky creating a sense of depth and perspective.
