**Like an Orange on a Seder Plate** Ruth Simkin, 2018-03-13 Not so very long ago a woman wanted to know why women can't be up on the bimah alter holding the torah She asked the rabbi why this was so The learned rabbi responded stroking his beard A woman should be on the bimah like an orange should be on the Seder plate Now each year at Passover we give to an orange the place of honor on our Seder plate This haggadah is a script for sharing the Passover Seder together in a contemporary woman affirming manner It is truly a celebration for all Jewish Reform Movement in the US Mara W. Cohen Ioannides, 2017-11-20 This volume examines the development of the non liturgical parts of the Central Conference of American Rabbis Haggadot Through an understanding of the changes in American Jewish educational patterns and the CCAR's theology it explores how the CCAR Haggadah was changed over time to address the needs of the constituency While there have been many studies of the Haggadah and its development over the course of Jewish history there has been no such study of the non liturgical parts of the Haggadah that reflect the needs of the audience it reaches How the CCAR the first and largest of American born Judaisms addressed the changing needs of its members through its literature for the Passover Seder reveals much about the development of the movement This in turn provides for the readers of this book an understanding of how American Judaism has developed Like an Orange on a Seder Plate Ruth Simkin, 1999 *The Open Door: A Passover Haggadah* Rabbi Sue Levi Elwell, 2002-01-01 The Open Door includes traditional and innovative blessings extensive commentaries and supplemental readings contemporary additions like Miriam's Cup women's and men's voices in gender inclusive language more than 40 pages of traditional and newly commissioned music and magnificent full color art Published by CCAR Press a division of the Central Conference of American Rabbis *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman, 2019-01-09 This scholarly study explores the conflicting forces of assimilation and cultural heritage in literary portrayals of Jewish American identity In *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today's contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America's nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment **When Religion Meets New Media** Heidi Campbell, 2010-04-05 This lively book focuses on how different Jewish Muslim and Christian communities engage with new media Rather than simply

**The Passover Haggadah** Vanessa L. Ochs,2020-03-17 The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover Jews around the world gather for the seder a festive meal where family and friends come together to sing pray and enjoy traditional food while retelling the biblical story of the Exodus The Passover Haggadah provides the script for the meal and is a religious text unlike any other It is the only sacred book available in so many varieties from the Maxwell House edition of the 1930s to the countercultural Freedom Seder and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service The Haggadah is also the only religious book given away for free at grocery stores as a promotion Vanessa Ochs tells the story of this beloved book from its emergence in antiquity as an oral practice to its vibrant proliferation today Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah She discusses the book s origins in biblical and rabbinical literature its flourishing in illuminated manuscripts in the medieval period and its mass production with the advent of the printing press

She looks at Haggadot created on the kibbutz those reflecting the Holocaust feminist and LGBTQ themed Haggadot and even one featuring a popular television show The Marvelous Mrs Maisel Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all
