Like Father Like Son On Clouds Of Glory:

Like Father, Like Son, on Clouds of Glory Don K. Preston, Don K Preston D DIV, 2016-12-13 While the vast majority of Bible students believe that Jesus promised to return to earth in the physical body of a 5'5" Jewish man the actual truth is that he made no such promise He promised to come in the glory of the Father which means he was going to come as the Father had come many times before In this important tome prolific author Don K Preston provides an incredible challenging look at the Second Coming of Christ giving the reader an abundance of evidence to prove that Christ's Second Coming was in the same manner as the Father and occurred in AD 70 with the dissolution of the Jerusalem Temple and the end of the Old Covenant age An incredibly important book and a true must read [Behind the Veil of Moses](#) Brain L. [Biblical Eschatology, Second Edition](#) Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible [Like Father-Like Sons](#) Paul Bersche, Duane Levick, 2022-06-10 Our world spins around us weaving in and out seemingly out of control We are dizzy trying to keep up with the changes on all sides Everything appears to be upside down backward steeped in confusion and contradiction What once was right is now wrong and what was wrong is now right Caught in this global tornado we wonder Is there any meaning to it all And we ask ourselves the age old question man has asked since the beginning of time Why am I here This book is a journey allowing God to answer those questions for us He left His Diary revealing His plans and desire for us Starting at the beginning we allow His Word to unfold His story We discover that God is love and that He has a plan laid out for us that far surpasses all the confusion and darkness engulfing the world today a plan open to everyone and that carries a future of joy purpose fulfillment and love God is indeed our wonderful Fatherlove and we are His children The journey of humankind has just begun a journey of returning to the garden and walking with the Creator for all eternity Get ready to be impacted by a theme that will touch a deep place in your heart It is the theme of Like Father Like Sons Each chapter gave me so much to consider regarding the importance of this theme in our

culture today Brokenness abounds often because of issues over knowing that we are loved and cherished by our Father in heaven I consider this book to be so significant for everyone today every son and every father needs to read this And every daughter will be blessed in finding a greater love waiting for you I hope you ll read this through carefully and consider every chapter as written just for you because it was Brian SimmonsThe Passion Translation Project 10 Page Oysterville Willard R. Streett,2022-11-11 Songs of Resistance Challenging Caesar and Empire examines New Testament hymns in light of their historical and cultural contexts Such a reading yields new insights Rather than finding theological truths alone one also discovers lyrics that contest and defy Rome s great tradition The early Christ followers sang songs that opposed the empire s worldview and offered an alternative vision for society These songs were a first century equivalent of modern day protest songs But instead of marching and singing in the streets believers gathered in private spaces where they lifted their voices to Jesus and retold the story of his execution as an enemy of the state and how God raised him from the dead to rule over the universe As they sang believers were emboldened to remain faithful to Christ and withstand the temptation to comply with the sociopolitical agenda of the empire Inside Paradise Lost David Quint,2014-02-02 Inside Paradise Lost opens up new readings and ways of reading Milton s epic poem by mapping out the intricacies of its narrative and symbolic designs and by revealing and exploring the deeply allusive texture of its verse David Quint s comprehensive study demonstrates how systematic patterns of allusion and keywords give structure and coherence both to individual books of Paradise Lost and to the overarching relationship among its books and episodes Looking at poems within the poem Quint provides new interpretations as he takes readers through the major subjects of Paradise Lost its relationship to epic tradition and the Bible its cosmology and politics and its dramas of human choice Quint shows how Milton radically revises the epic tradition and the Genesis story itself by arguing that it is better to create than destroy by telling the reader to make love not war and by appearing to ratify Adam s decision to fall and die with his wife The Milton of this Paradise Lost is a Christian humanist who believes in the power and freedom of human moral agency As this indispensable guide and reference takes us inside the poetry of Milton s masterpiece Paradise Lost reveals itself in new formal configurations and unsuspected levels of meaning and design **The Works of Samuel Clarke: Sermons on several subjects** Samuel Clarke,1742 The Four Gospels, as Interpreted by the Early Church Francis Henry Dunwell,1876 **Revelation 1-11 (ITC)** Peter J. Leithart,2018-02-22 The

Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This first of two volumes on Revelation offers systematic and thorough interpretation of the book of Revelation Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensured that it would always be a source of controversy This commentary focuses on the theological content gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths

Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this International Theological Commentary reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition **The Scottish Christian Herald** ,1838 *The Jewish Tribune* ,1927
