The Role of Women in the History of Geology Cynthia V. Burek, Bettie Higgs, Geological Society of London, 2007 This book is a first as it unravels the diverse roles women have played in the history and development of geology as a science predominantly in the UK Ireland and Australia and selectively in Germany Russia and US The volume covers the period from the late eighteenth century to the present day and shows how the roles that women have played changed with time These included illustrators museum collectors and curators educationalists researchers and geologists Originally as wives sisters or mothers many were assistants to their male relatives This book looks at all these forgotten women and for the first time historians and scientists together explore the contribution they made to this male dominated subject

Religion and the Arts: History and Method

Diane Apostolos-Cappadona, 2017-11-06 In *Religion and the Arts History and Method* Diane Apostolos Cappadona presents an overview of the 19th century origins of this discrete field of study and its methodological journey to the present day through issues of repatriation museum exhibitions and globalization Apostolos Cappadona suggests that the fluidity and flexibility of the study of religion and the arts has expanded like an umbrella since the 1970s and the understanding that art was simply a visual exegesis of texts to now support the study of material popular and visual culture as well as gender She also delivers a careful analysis of the evolution of thought from traditional iconographies to the transformations once scholars were influenced by response theory and challenged by globalization and technology *Religion and the Arts History and Method* offers an indispensable introduction to the questions and perspectives essential to the study of this field

Barsness, 2017-07-20 *Core Competencies of Relational Psychoanalysis* provides a concise and clearly presented handbook for those who wish to study practice and teach the core competencies of Relational Psychoanalysis offering primary skills in a straightforward and useable format Roy E Barsness offers his own research on technique and grounds these methods with superb contributions from several master clinicians expanding the seven primary competencies therapeutic intent therapeutic stance attitude analytic listening attunement working within the relational dynamic the use of patterning and linking the importance of working through the inevitable enactments and ruptures inherent in the work and the use of courageous speech through disciplined spontaneity In addition this book presents a history of Relational Psychoanalysis offers a study on the efficacy of Relational Psychoanalysis proposes a new relational ethic and attends to the the importance of self care in working within the intensity of such a model A critique of the model is offered issues of race and culture and gender and sexuality are addressed as well as current research on neurobiology and its impact in the development of the model The reader will find the writings easy to understand and accessible and immediately applicable within the therapeutic setting The practical emphasis of this text will also offer non analytic clinicians a window into the mind of the analyst while increasing the settings and populations in which this model

can be applied and facilitate integration with other therapeutic orientations Core Competencies of Relational Psychoanalysis is inspired by Barsness students he was motivated to create a primary text that could assist them in understanding the often complex and abstract models of Relational Psychoanalysis Relevant for graduate students and novice therapists as well as experienced clinicians supervisors and professors this textbook offers a foundational curriculum for the study of Relational Psychoanalysis presents analytic technique with as clear a frame and purpose as evidenced based models and serves as a gateway into further study in Relational Psychoanalyses **Early and Middle Woodland Landscapes of the Southeast**

Alice P. Wright,Edward R. Henry,2019-10-01 Fourteen in depth case studies incorporate empirical data with theoretical concepts such as ritual aggregation and place making highlighting the variability and common themes in the relationships between people landscapes and the built environment that characterize this period of North American native life in the Southeast **Christian Metal** Marcus Moberg,2015-02-26 Christian metal has always defined itself in contrast to its non Christian secular counterpart yet it stands out from nearly all other forms of contemporary Christian music through its unreserved use of metal s main musical visual and aesthetic traits Christian metal is a rare example of a direct combination between evangelical Christianity and an aggressive and highly controversial form of popular music and its culture Christian Metal History Ideology Scene is the first full exploration of the phenomenon of Christian metal music its history main characteristics development diversification and key ideological traits from its formative years in the early 1980s to the present day Marcus Moberg situates it in a wider international evangelical cultural environment accounts for its diffusion on a transnational scale and explores what religious meanings and functions Christian metal holds for its own musicians and followers Engaging with wider debates on religion media and popular culture Christian Metal History Ideology and Scene is a much needed resource in the study of religion and popular music *Developing Musicianship Through Aural Skills* Kent D. Cleland,Mary Dobrea-Grindahl,2013-09-05 A textbook for learning to hear sing understand and use the foundations of music as a part of an integrated curriculum for musicians It provides you with the musical terms progressions resolutions and devices that you can draw upon as a functional and usable musical vocabulary Religion and Film S. Brent Plate,2017-09-05 Religion and cinema share a capacity for world making ritualizing mythologizing and creating sacred time and space Through cinematography mise en sc ne editing and other production activities film takes the world out there and refashions it Religion achieves similar ends by setting apart particular objects and periods of time telling stories and gathering people together for communal actions and concentrated focus The result of both cinema and religious practice is a re created world a world of fantasy a world of ideology a world we long to live in or a world we wish to avoid at all costs Religion and Film introduces readers to both religious studies and film studies by focusing on the formal similarities between cinema and religious practices and on the ways they each re create the world Explorations of film show how the cinematic experience relies on similar aesthetic devices on which religious rituals have long relied sight sound the taste of food the

body and communal experience Meanwhile a deeper understanding of the aesthetic nature of religious rituals can alter our understanding of film production Utilizing terminology and theoretical insights from the study of religion as well as the study of film Religion and Film shows that by paying attention to the ways films are constructed we can shed new light on the ways religious myths and rituals are constructed and vice versa This thoroughly revised and expanded new edition is designed to appeal to the needs of courses in religion as well as film departments In addition to two new chapters this edition has been restructured into three distinct sections that offer students and instructors theories and methods for thinking about cinema in ways that more fully connect film studies with religious studies

Coming of Age in Jim Crow DC Paula C. Austin,2019-12-10 The fullest account to date of African American young people in a segregated city Coming of Age in Jim Crow DC offers a complex narrative of the everyday lives of black young people in a racially spatially economically and politically restricted Washington DC during the 1930s In contrast to the ways in which young people have been portrayed by researchers policy makers law enforcement and the media Paula C Austin draws on previously unstudied archival material to present black poor and working class young people as thinkers theorists critics and commentators as they reckon with the boundaries imposed on them in a Jim Crow city that was also the American emblem of equality The narratives at the center of this book provide a different understanding of black urban life in the early twentieth century showing that ordinary people were expert at navigating around the limitations imposed by the District of Columbia s racially segregated politics Coming of Age in Jim Crow DC is a fresh take on the New Negro movement and a vital contribution to the history of race in America

Schooling the Movement Derrick P. Alridge,Jon N. Hale,Tondra L. Loder-Jackson,2023-04-20 A fresh examination of teacher activism during the civil rights movement Southern Black educators were central contributors and activists in the civil rights movement They contributed to the movement through their classrooms schools universities and communities Drawing on oral history interviews and archival research Schooling the Movement examines the pedagogical activism and vital contributions of Black teachers throughout the Black freedom struggle By illuminating teachers activism during the long civil rights movement the editors and contributors connect the past with the present contextualizing teachers longstanding role as advocates for social justice Schooling the Movement moves beyond the prevailing understanding that activism was defined solely by litigation and direct action forms of protest The contributors broaden our conceptions of what it meant to actively take part in or contribute to the civil rights movement

A Lot to Tackle Belle Payton,2015-09-15 The Tigers have made it to the state championship in the ninth book of the It Takes Two series Alex has just gotten the worst grade of her life in French one of her best subjects As she studies like crazy to make up for the terrible grade she ends up missing an important student council meeting leaving her more frustrated than ever Alex begins to wonder why she should even care about her grades and extra curricular activities if she isn t doing well Meanwhile Ava s football team lost their last playoff game leaving them out of the finals Even though she

didn't play particularly well Ava knows she wasn't the only one so she doesn't understand why some of the boys on the team are blaming her Her teammates are also saying that if the Tigers don't win the state championship her father will be out of a job and he isn't denying it Ava is horrified by the idea of leaving Ashland behind for good but Alex doesn't seem to care With so much going on at once can Ava get her twin to snap out of it so they can rally around their family and cheer the Tigers on to victory
