Brovkin, 2015-03-08 Countering the powerful myth that the civil war in Russia was largely between the Whites and the Reds Vladimir Brovkin views the struggle as a multifaceted social and political process Brovkin focuses not so much on armies and governments as on the interaction of state institutions political parties and social movements on both Red and White territories In the process he exposes the weaknesses of the various warring factions in a Russia plagued by strikes mutinies desertion and rebellions The Whites benefited from popular resistance to the Reds and the Reds from resistance to the Whites In Brovkin's view neither regime enjoyed popular support Pacification campaigns mass shooting deportations artillery shelling of villages and terror were the essence of the conflict and when the Whites were defeated the war against the Greens the peasant rebels went on Drawing on a remarkable array of previously untapped sources Brovkin convicts the early Bolsheviks of crimes similar to those later committed by Stalin What emerges behind the front lines is a picture of how diverse forces Cossacks Ukrainians Greens Mensheviks and SRs as well as Whites and Bolsheviks created the tragic victory of a party that had no majority support This book has important contemporary implications as the world again asks an old question Can Russian statehood prevail over local regional and national identities Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 ANCOC Common Core, 1986 *Frontline Nurses* Holly Green, 2018-11-01 Can she follow her heart while doing her duty A heartwarming saga following nurses during the First World War Perfect for fans of Donna Douglas's A Nightingale Christmas Promise Lizzie Page's The War Nurses and Margaret Dickinson's The Poppy Girls After training with the First Aid Nursing Yeomanry Leonora Malham Brown sets off to Europe with her new friend Victoria determined to do her bit for the war effort The battlefield is a difficult place for a woman so Leonora cuts her hair short and swaps her skirts for trousers in order to better cope with the demanding duties of a frontline nurse But concealing her true identity becomes more complicated when she meets the dashing Colonel Malkovic Torn between keeping her secret and their blossoming friendship Leonora must choose between her duty and her heart A moving emotional wartime saga about brave nurses on the battlefield based on an amazing true story _____ Make sure you've read all the books in the
