Home Wireless Networking in a Snap Joe Habraken, 2006-03-15. These days nobody really wants to learn everything there is about their hardware and software. And even if you did, who has the time to endlessly tinker and play with it until you figure everything out? You just want a book that will quickly show you how to set up your home wireless network. *Home Wireless Networking in a Snap* is designed specifically for busy people like you. This book covers the things that aren't already covered in the documentation that came with your equipment, and the things you can't just figure out on your own. It is organized into a series of well-organized, bite-sized, quickly accomplished tasks that let you zero right in on particular tasks you want to accomplish. This hands-on approach to setting up a secure home wireless network will have your network up and running in no time.

Mac OS X Unwired Tom Negrino, Dori Smith, 2013-05-02. *Mac OS X Unwired* introduces you to the basics of wireless computing: from the reasons why you'd want to go wireless in the first place to setting up your wireless network or accessing your wireless services on the road. The book provides a complete introduction to all the wireless technologies supported by Mac OS X, including Wi-Fi 802.11b and g, infrared, Bluetooth, CDMA2000, and GPRS. You'll learn how to set up your first wireless network and how to use the Mac OS X software that supports wireless, such as iSync, iChat, and Rendezvous. You'll also get a good understanding of the limitations and liabilities of each wireless technology. Other topics covered in the book include using wireless at home, in the office, or on the road; connecting to wireless hotspots; wireless security. *Mac OS X Unwired* is a one-stop wireless information source for technically savvy Mac users. If you're considering wireless as an alternative to cable and DSL, or using wireless to network computers in your home or office, this book will show you the full spectrum view of wireless capabilities of Mac OS X and how to get the most out of them.
