Machiavelli The Prince Crofts Classics:

The Prince Niccolò Machiavelli,1947-01-15 What makes this well annotated translation stand out from others is an insightful introduction by editor Thomas G Bergin especially helpful for achieving a better understanding of the times and the political scene in which Machiavelli worked lived and wrote Also included are a list of important dates in Machiavelli s life an index of proper names in the text and notes and a selected bibliography

The Prince Niccolò Machiavelli,1989-05-01 A worthy translation of an important document in political philosophy What separates this translation from others available is de Alvarezs attempt to be literal in order to preserve the remarkable precision of Machiavellis speech This distinctively accurate translation has been described as careful unusual and challenging permitting the reader to appreciate the manner and substance of Machiavellis argument States the translator in his twenty four page introduction Among the reasons why this translation attempts to preserve the difficulties and ambiguities of the text is that Machiavelli is providing a puzzle that must be carefully and patiently worked through and only those so willing to work will see what it is he has with great diligence long reflected upon and examined In other words Machiavelli intends that the reader be caught up in the web of his discourse and he does this by fascinating his readers with difficulties

Agonistic Democracy Mark Wenman,2013-09-26 A pioneering analysis of agonistic democracy its history central thinkers and contribution to contemporary political theory

Machiavelli Goes to the Movies Eric T. Kasper,Troy Kozma,2015-03-24 Niccol Machiavelli s The Prince remains an influential book more than five centuries after he wrote his timeless classic However the political philosophy expressed by Machiavelli in his tome is often misunderstood Although he thought humans to be rational self interested creatures and even though he proposed an approach to politics in which the ends justify the means Machiavelli was not as some have argued simply a teacher of evil The Prince s many ancient and medieval examples while relevant to sixteenth century readers are lost on most of today s students of Machiavelli Examples from modern films and television programs which are more familiar and understandable to contemporary readers provide a better way to accurately teach Machiavelli s lessons Indeed modern media such as Breaking Bad The Godfather The Walking Dead Charlie Wilson s War House of Cards Argo and The Departed are replete with illustrations that teach Machiavelli s critical principles including the need to caress or annihilate learning how not to be good why it is better to be feared than loved and how to act as both the lion and the fox Modern media are used in this book to exemplify the tactics Machiavelli advocated and to comprehensively demonstrate that Machiavelli intended for government actors and those exercising power in other contexts to fight for a greater good and strive to achieve glory

Straussophobia Peter Minowitz,2009-08-15 Leo Strauss and his students have long been accused of mendacity elitism and militarism but the Iraq War has prompted unprecedented levels of caustic and inaccurate denunciations Inappropriate criticisms have issued from artists Tim Robbins politicians Ron Paul journalists Joe Klein and even highly lauded scholars such as Arthur Schlesinger Jr Gordon Wood Douglas Massey Stephen Holmes Anne Norton Shadia Drury

Sheldon Wolin John Pocock John Yolton Nicholas Xenos and Brian Leiter In *Straussophobia* Peter Minowitz provides a methodical and detailed critique of the major offenders especially of Drury who maintains that Strauss established a covert tyranny that would keep the Western world mired in perpetual war In replying to such charges_and to various authors who belittle Strauss s contributions as a scholar_Minowitz highlights the imaginative yet meticulous manner in which Strauss interpreted Thucydides Plato Xenophon Farabi Machiavelli Hobbes Locke and Carl Schmitt *Straussophobia* also provides both a comprehensive assessment of Strauss s 1933 letter that commended fascist authoritarian and imperial principles and a compelling account of Strauss s influence or lack of influence on neoconservative promoters of the Iraq War e g Paul Wolfowitz Richard Perle and Lewis Libby The book likewise breaks new ground in employing diversity discourse to explain and combat the bigotry and buffoonery that pervade attacks against Strauss and Straussians_and in drawing on Strauss to illuminate the distortions that mar some widely used arguments for affirmative action
