

The background of the entire cover is a soft, painterly sky with warm, golden-yellow and light blue clouds. In the center, a golden throne is depicted. The throne's backrest is a large, ornate sunburst or starburst shape. The seat of the throne is a simple, rectangular wooden structure with a blue cushion. **Made in Our Image** Steven J. Lawson, 2000-05-10 Digital imaging can alter a picture so fast it leaves people asking What is reality Have we bought into a user friendly designer God of our own In his eighth provocative primer on Christian living Pastor Steven Lawson asks if we re seeing a true picture of God these days or a distorted one designed to fit a popular image on the present cultural canvas Lawson tackles the timely topic on the personal and greater church levels Non condemning Made in Our Image alerts readers to the dangers of a socially constructed deity and inspires them to accept no counterfeits for the true living sometimes socially incorrect God *American Book Publishing Record* ,2000-07 **Made in**

Lawson, 2000 **The Works of Jacobus Arminius Volume 3 - A Friendly Discussion** Jacobus Arminius, 2017-03-22 A friendly discussion between a theological college the third book in this three volume set starts to show another view on the Bible that challenges the works of John Calvin Martin Luther and others The aspect of self determinism and the role of sin in a believer s life are dominant in Arminius s thinking while the other theologians in his time were focusing on the idea of determinism in the role of Biblical theology *Forthcoming Books* Rose Arny, 2002-04

**No More Christian Nice Guy** Paul Coughlin, Laura Schlessinger, 2007-03 Revised and Expanded Edition of a Life Changing Book Recovering nice guy Paul Coughlin points the way for all men who yearn to live a life of boldness and conviction like Jesus Using anecdotes from his own life powerful and poignant stories and vivid examples from our culture Coughlin shows how men can say no to the nice guy syndrome and yes to a life of purpose passion and vitality This radical and hopeful message elevates the true biblical model of manhood and now includes testimonials from men and women whose lives have been altered by this book **The Feminism Fallacy** Ireland

Gentry-Dillard, 2023-04-05 Women have journeyed through many expressions of femininity from total submission to men to an overt rejection of classical gender roles and stereotypes Christian women wrestle with their expressions of femininity even in modern times as feminism is commonly taught and accepted After all it was Paul who commanded women to learn in silence and subjection forbidding them to teach or exert power over men 1 Tim 2 11 12 Yet the same Bible tells us of powerful women like Deborah a female judge who commanded armies of men and secured the victory of Israel against Sisera Judg 4 In a society that lauds female independence and challenges gender roles Christian women must understand and reconcile their identities in Christ Are men and women really that different Has God given them different callings skillsets and limitations The answer is yes but it shouldn t be a yes spoken with dejection God s design is perfect and he made women powerful in ways that men can never be powerful Likewise he made men powerful in ways that women can never be powerful The God

Spykman,2017-07-12 Less than a year after the United States entered the Second World War Nicholas Spykman wrote a book that placed the war effort in the broader context of the 1940s global balance of power In America s Strategy in World Politics Spykman examined world politics from a realist geopolitical perspective The United States he explained was fighting for its very survival as an independent country because the conquests of Germany and Japan raised the specter of our geopolitical encirclement by hostile forces controlling the power centers of Europe the Middle East and East Asia Spykman warned that the United States could not safely retreat to a defensive position in the Western Hemisphere Spykman looked beyond the immediate strategic requirements of the Second World War envisioning a postwar world in which the United States would help shape the global balance of power to meet its security needs Even though Soviet Russia was our wartime ally Spykman recognized that a geopolitically unbalanced Soviet Union could threaten to upset the postwar balance of power and thereby endanger U S security Spykman also foresaw the rise of China in postwar Asia and the likely need for the United States to ally itself with Japan to balance China s power He also recognized that the Middle East would play a pivotal role in the postwar world Spykman influenced American postwar statesmen and strategists During the Cold War the U S sought to deny the Soviet Union political control of Western Europe the Middle East and East Asia Spykman s geopolitical vision of U S security supported by a balanced Eurasian land mass coupled with his focus on power as the governing force in international relations makes America s Strategy in World Politics relevant to the twenty first century **The Morning Star and Free Baptist** ,1906 *Congressional Record* United States.
