understanding of marketing or piss poor marketing efforts in general Unfortunately most people s approach to marketing is to look at what the competition is doing and to do the same exact thing Running this type of half ass marketing campaign doesn t work Copying other people s sites ads and promotions won t give you the same success That s Not How It Works Marketing is not a one shoe fits all operation What works for one business likely will not work for another It doesn t work that way This strategy is a waste of time and money Every business has its unique characteristics target audiences and value propositions Marketing strategies should be specifically tailored to highlight these distinct features and built around the needs of the targeted audience Understand Your Customer Your marketing messages should deeply resonate with your target audience This requires a deep understanding of your customers needs How your products or services can meet these needs What problem can you solve How can you help A basic understanding of your customer isn t enough Become your customer Be Weird Think Weird If you haven t noticed the marketing world is in the middle of a weird revolution It s no longer about playing by the rules it s about rewriting them or ditching them altogether There are tons of unique new ways to reach customers The conventional bs no longer works well Come up with a unique strategy that revels in the odd the peculiar the downright bizarre Go Big or Go Home Our approach promotes a mentality focused on boldness execution and scale It encourages boldness when others are timid It s about standing strong amidst adversity ushering in a wave of determination that separates you from the rest When the crowd is fearful choose to be fearless embracing the challenges that come your way and use them as stepping stones for growth Your business must grow to succeed Growth is key Grab your copy today
