God In My Classroom Devotions For Christian Teachers:

God in My Classroom Ralph Beikmann, 1996 Whether you teach all day every day or once a week for an hour the 41 devotions in *God in My Classroom* will help you understand God's presence in the important work you do. Written by a teacher, these selections focus specifically on the life of the Christian educator.

God Is with Us: A Teacher Devotional Dru Cox Percy, 2021-10-24 *God Is with Us* was written with a heart to uplift and help other educators to remain faithful to God and recognize that He is with us in the classroom. This devotional is designed to encourage and challenge teachers with insightful devotions which use relatable classroom experiences, Bible passages, godly principles, and sincere prayers that will influence readers to recognize and consider God's presence in all aspects of their lives, including their classroom. A Bible reading is suggested to encourage readers to glean truth from the Word of God. Faith is built by reading His Word. *God Is with Us* is compiled of 90 devotions. They are divided into ten sections and organized by topics such as classroom practices, prayer, daily walk, and positivity. Each devotion is followed with a section for the reader to write thoughts, verses, and or prayers. Circling back to specific devotions throughout the school year for encouragement and or to reflect on previous notes or thoughts is a great idea. Rereading the 90 devotions and self-reflection pages may lead to further encouragement such as answered prayers, student growth, and scriptural reinforcement. As a bonus, a few prayers and poetry have been included. The prayers were developed and used at the beginning of a school year before state testing and with the use of Bible verses. The poetry was written for the holidays and are some of my favorites. Whether the scriptures used, devotions shared, sincere prayers offered, or self-reflection written, it is essential that we all remember *God Is with Us*. My name is Dru Cox Percy. I have been a Christian for over 50 years. I have been an educator for over 22 years as an upper elementary school teacher in three different buildings in the same corporation. I have been recognized by my colleagues in each building as their Teacher of the Year candidate. That honor was based on classroom teaching, teacher leadership, building cultural influence, and community interactions. I credit those honors to God's leading and blessing on my life. My father was my pastor and counselor. He taught me to listen intently, consider God's principles in every situation, and then draw from the Word of God and apply it to my life. He taught me to consider every detail and step in my life from the perspective of God and His Word. I have practiced those principles in my classroom and began ten years ago to write my own devotions to lead in my small Bible study groups. I'm approaching retirement and accepted a challenge by Dr. David Jeremiah to take a risk and do something meaningful for the Lord. This book came about because I accepted the challenge.

Lessons From The Classroom Alton Royer Ph.D., 2023-08-31 While working with students, their parents, and with colleagues, I noticed God is always at work. In many casual conversations, I was encouraged by the number of colleagues that stated their dependence on God for guidance. These short devotions are intended as an encouragement to educators beginning their school day to draw attention to the activities of the Holy Spirit in their life and work activities. It is my prayer the reader will identify with many of these

devotions and be reminded of the Holy Spirit's activity in their lives *Morning Meetings with Jesus* Susan O'Carroll Drake, 2008 Designed for each school day in the student year these light hearted and insightful devotions offer lessons from the Master Teacher and a challenge to apply that lesson in real life situations that confront educators in today's classroom From the student who attacks verbally or physically to the lab experiment that goes wrong teachers face a variety of challenges and veteran teacher of Baltimore's public school author Susan O'Carroll Drake shares not only her own experiences but the biblical principles she has gleaned from a study of Jesus' life and teaching Each devotion offers a Scripture reading key verse personal anecdote biblical insight and practical application before concluding with a brief prayer
