Little Hearts, Big Lessons: 30 Bible lessons for children ages 2 to 6 Ana Beatriz O. Nascimento, 2025-10-03 Little Hearts Big Lessons 30 Bible lessons for children ages 2 to 6. It was designed and built with great care with our children in mind. With so much information coming from all sides, it's important that we as Christians instruct and teach our little ones the teachings of the Lord Jesus. But it's a huge challenge as most don't know where to begin. With this in mind, I created the e-book Little Hearts Big Lessons 30 Bible Lessons for Children Ages 2 to 6. As the title suggests, it's aimed at children ages 2 to 6. It is important that they learn from the very beginning about the importance of studying and knowing more about the word of the Lord and how essential devotionals are. The material is for children's ministry, Bible school, or home devotionals. There are 30 lessons or classes with practical, playful teachings that are easy for children to learn and understand. With verses, stories, activities, songs, and prayer. It is an investment you will make in your child's growth and Biblical learning. **Teaching Children to Pray** Mary Davis, 2006-10 Through the use of cut, color, and paste projects, children will learn about the various types of prayer to help them begin and grow their own dynamic prayer life. Complete lesson plans are included. **Invitation to Educational Ministry** George Hillman, Sue Edwards, 2018-09-25 Because teaching is at the heart of Christian ministry, the editors of *Invitation to Educational Ministry* have assembled a team of seasoned experts to present a comprehensive plan of Christian education. This volume will help church staff, parachurch leaders, and small group teachers become more effective, influential, and creative. After laying a biblical and practical foundation for Christian education, the contributors provide specific guidance on teaching a variety of individuals and groups, including children, adults, singles, seniors, and non-Christians. The final section shares valuable insights on leading small groups, teaching innovatively, and overseeing a healthy educational ministry, among other topics. Each chapter is designed to equip educators with the most relevant information and includes many useful features. Real life case
