Gods Final Jubilee 2016 Revised Edition Jesus Returns To Claim The Earth:

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Israel and the Covenants in New Testament Times** Peter Williams, 2016-05-23 Second Edition

Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully

understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that **Shalom: God's Ultimate**

Purpose for the World Dae-Young Lee,2021-06-23 What is our preconception about Muslims Do we continue to practice medical missions in a way that is no longer considered an effective means of presenting the gospel to the unreached Is our gospel message biblically balanced and firmly contextualized in the context that we try to serve There are numerous questions that we may ask ourselves when we desire to share God s love with people who are still alienated from it Christian cross cultural missions should reconsider the strategies and attitudes that no longer reflect biblical principles This book brings a lot of insightful thoughts and suggestions from the author s medical ministry experience in the Arab world to those who want to reach out to the unreached The theology of shalom enables us to deeply understand God s ultimate purpose toward the world that he created and to devote our lives to bring people to his kingdom in the humble way that Jesus has presented throughout his life on earth when he was with us This book demonstrates how Christian medical missions can be manifested in a more biblical way and can serve people who have been physically injured and emotionally broken more effectively **African American Culture** Omari L. Dyson,Judson L. Jeffries Ph.D.,Kevin L. Brooks,2020-07-23 Covering

everything from sports to art religion music and entrepreneurship this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States According to the latest census data less than 13 percent of the U S population identifies as African American African Americans are still very much a minority group Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture in music the arts and entertainment in education and religion in sports and in politics and business African American Culture An Encyclopedia of People Traditions and Customs covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business **NKJV, Apply the Word Study Bible** Thomas

It's Not Too Late Dan Dupee,2016-03-08 It has long been said that once kids are in high school and college they are beyond the influence of their parents This pervasive cultural myth is not supported by research biblical teaching or even anecdotal accounts Yet because of it many Christian parents live in silent angst about the faith of their older and adult children thinking they can no longer do anything to shape their kids spiritual and life decisions Drawing on sociological research and Scripture Dan Dupee shows parents that it is not too late and in fact these turbulent years of transitioning into adulthood are a time when their kids may need their guidance the most He shows parents how to make the most out of the opportunities they have to offer guidance wisdom and spiritual support with the goal of seeing their children not just survive college with faith intact but enter adulthood with a faith of their own one that will carry them through all that life brings their way

The Vatican and Permanent Neutrality Marshall J. Breger, Herbert R. Reginbogin, 2022-03-22 The essays in this book cover a fast paced 150 years of Vatican diplomacy starting from the fall of the Papal States in 1870 to the present day They trace the transformation of the Vatican from a state like any other to an entity uniquely providing spiritual and moral sustenance in world affairs In particular the book details the Holy See's use of neutrality as a tool and the principal statecraft in its diplomatic portmanteau This concept of permanent neutrality as codified in the Lateran Treaties of 1929 is a central concept adding to the Vatican's uniqueness and as a result the analysis of its policies does not easily fit within standard international relations or foreign policy scholarship These essays consider in detail the Vatican's history with permanent neutrality and its application in diplomacy toward delicate situations as for instance vis a vis Fascist Italy Nazi Germany and Imperial Japan but also in the international relations of the Cold War in debates about nuclear non proliferation or outreach toward the third world including Cuba and Venezuela The book also considers the ineluctable tension between pastoral teachings and realpolitik as the church faces a reckoning with its history

Earth of Existence Ederson Lambert, 2016-03-22 Earth of Existence A Journey From Haiti to America by Ederson Lambert Earth of Existence is a poetic memoir of a child growing up with two overarching cultures of influence prodding author Ederson Lambert's existence He was born in Haiti lived there shortly as a child until ten and afterward immigrated to the United States where life took a considerable change It was fast and it was surreal He found himself living in a poor urban neighborhood where many struggles and obstacles would present themselves as living barriers in his life There were joyous occasions and there were terrible ones when he felt like life was not meant living He believes that through his faith his personal strength and through the people who would come to be placed in his life helped and allowed him to find the inner talent in himself and eventually the avenue that would find him on a path to a successful life He is not a rich man not a famous person nor an influential individual making an incredible impact on the lives of people but he believes that his words may help someone who isn't worthy in the eyes of society to find some hope by reading these pages Maybe his poetry will relate Maybe his essays or the short stories of when he was down and out will help them to see that their situation is not as bad as they imagine He may not be some prolific writer with big words to bedazzle English majors but he knows that his words will impact someone somewhere on this Earth enough to give them hope that they too can have a voice someday

Constantine versus Christ

Alistair Kee,2016-08-31 The subject of this book is politics and religion the relationship between Constantine and Christianity Something happened in the reign of the Emperor Constantine that transformed both politics and religion in Europe and anyone who seeks to understand modern Christianity must analyze this transformation and its consequences The reign of Constantine is remembered as the victory of Christianity over the Roman Empire the subtitle of the book indicates a more ominous assessment the triumph of ideology Through a careful analysis of the sources Dr Kee argues that Constantine was not in fact a Christian and that the sign in which he conquered was not the cross of Christ but a political symbol of his own making However that is only the beginning of the story For Constantine religion was part of an imperial strategy and the second part of this book shows just what that strategy was Here is the development which marks a transition to a further stage the way in which by using Christianity for his own ends Constantine transformed it into something completely different Constantine Dr Kee argues along with his biographer and panegyrist Eusebius succeeded in replacing the norms of Christ and the early church with the norms of imperial ideology Why it has been previously thought that Constantine was a Christian is not because what he believed was Christian but because what he believed came to be called Christian And that represents the triumph of ideology
