Gods Tsunami Understanding Israel And End Time Revival:

God's Tsunami Peter Tsukahira,2006-06-01 God s Tsunami is the fulfillment of biblical prophecy in the nation of Israel its relation to God s purposes in the nations and ultimately the return of the Messiah The book tells of the great spiritual tidal wave of the Gospel as it moves through history and in the nations of the world Nearly 2 000 years ago it began in Jerusalem with Jesus Christ Today this wave is sweeping through East Asia *God's Destiny for Your Nation* John Sin Hock Tay,2008

God's Tsunami Peter Tsukahira,2012-03 Gods Tsunami is about biblical prophecy and how its fulfillment is joining the destinies of Israel and the nations of the world The shockwaves from this convergence are generating a spiritual tidal wave of change that is affecting all the Earth God Keeps Covenant Wendy D. Beckett,2006 **Spiritual Tsunami** Fred Thompson,2012-03 Current events in the news more and more read and sound like the fulfillment of end times bible prophecies Correlation between the bible and current events is clearer now than five years ago We cannot afford to keep sticking our heads in the sand about this convergence We are not there yet but things are plainly making strong headway toward the reality of prophesied end times happenings The key word is Watch We must remain knowledgeably vigilant Scripture must be studied for clues and signposts of last day events and then comparison must be made with reported events to discern how they relate to one another **God and the Spiritual Tsunami** Kjell Axel Johanson,2018-06-22 God is clearly at work today There is a cultural political and religious metaphorical tsunami gathering power under the surface of ordinary world events and when it is fully released it will turn the world as we now know it upside down Thousands upon thousands of Muslims Buddhists Hindus and nominal Christians become followers of Jesus Christ every day and the effects are enormous The premises of this book are There is a God and the belief in God is a moral and not an intellectual question God created mankind out of his goodness as his representatives on Earth Since God is by nature good and generous the essence of sin is to doubt this goodness and walk away from him God nonetheless continues to seek man in order to bless him and he has an encompassing plan to accomplish that purpose He began this purpose through his covenant with Abraham and is fulfilling it through Jesus Christ Contemporary evidence of this purpose can be seen clearly in what he is doing right before us We see it in the nation of Israel through the growth of the church and the persecution of the church *World's Greatest Revivals* Fred Wright,Sharon Wright,2011-07-28 How desperate are you Revivals always begin with personal desperation When we are desperate enough to cry out to God for our need He releases a deluge of His Spirit to not only meet your need but to also change your family community state nation and the world The greatest revivals have all been initiated by the deep seated needs of man God has responded to passionately meet each of those needs Waves of God s mercy in response to our heart s cry will benefit those around us and even the world The World s Greatest Revivals explores The Reformation The Great Awakening The Azusa Street Revival The Toronto Blessing Through extensive research and personal experiences authors Fred and Sharon Wright share the fascinating history of revivals and revivalists over the past 600 years and explore their

long lasting impact on society This book shows the personal impact of these revivals and how our desperation opens the floodgates of heaven **Sustain the Flame** Jennifer A. Miskov,2024-02-06 The Secret to Shaping the World and Impacting Generations If you are reading this right now that means God is wooing you deeper He is inviting you to go deeper into the rivers of living waters We want to take you past your ankles past your knees past your waist and over your head Heidi Baker bestselling author of Birthing the **The Coming Deluge of His Glory** Nestor Kouassi,2019-06-14 It's obvious that we are living in an exceptional time Exceptional times require exceptional measures As in Psalm 2 there is an effort by world rulers to dethrone God and eradicate from society any references to Christ Consequently a war has been declared against Christ's Church which at this point in history is in a lethargic state A defiant departure from God and a slow purge of His helpful boundaries has led to emptiness of souls moral decadence arrogance division confusion The Sovereign God is however going to respond to the seemingly insurmountable challenges we face in a unique way God is coming down through what we know as a revival and an awakening to heal the wounded world the book states This exceptional divine intervention is what The Coming Deluge of His Glory is about It chronicles the author's fascinating and unusual history with God from a voodoo saturated village in Benin West Africa to the United States A unique journey that has given birth to a unique divine perspective This book is a compelling vision of a glorious season ahead Heaven is ready to touch the Earth God is coming down like an overwhelming flood to make His purpose established on Earth Nestor said He describes in the book the descriptive visions and insights the Holy Spirit instilled in him about the so awaited revival and awakening The Coming Deluge of His Glory will stir up faith hope and love in believers through captivating revelations and Nestor's knowledge of God's agenda for His kingdom It's a proclamation of the coming of God's army a lion generation of Christians whose mission is to conquer rule and reign with a royal authority and power It will set your heart on fire and help you explore the intensity of the Father's sublime love **Understanding the Book of Revelation** Ira Milligan,2023-03-13 Understanding the Book of Revelation There is no other book in the Bible that has captured the interest and imagination of God's saints like John's Revelation Also there is no other book that promises a special blessing upon those who read and keep its word but therein lies the rub very few understand its structure and symbolism so many are unable to heed its instructions This book will guide the reader through Revelation's intriguing interwoven end time mysteries and show the victorious conquering Christ that it reveals 2 **The Last Great Outpouring** R. Loren Sandford,2020-08-18 After four hundred years of prophetic silence God sent John the Baptist to announce the coming of the Messiah the baptism He would bring and the in breaking of the kingdom of God on earth In response people streamed to the Jordan River to hear John's words and be baptized by him in the Jewish ritual mikveh bath for cleansing from sin and defilement John's calling was to prepare the people for the coming glory Our God is nothing if not consistent the same yesterday today and forever As in the days leading to the return of Jesus He therefore continues to send messengers in advance to announce coming moves of the Spirit in order to prepare His people to

receive Author R Loren Sandford believes God is about to do something huge wonderful and even unprecedented in scope and impact and he is urging Christians everywhere to prepare for it Beginning with the prophet Haggai and moving through the Bible Loren lays a foundation for his belief that the time of the last great outpouring and the Lord's return is now He writes The church in our day has been ravaged and diminished in influence under pressure from the idolatrous culture that surrounds us and that figuratively speaking a remnant is even now returning from exile It's time to rebuild on a biblical foundation and construct a temple adequate to contain the outpouring God is about to send Loren says we must reject our present culture which is steeped in consumerism and a focus on self and return to a culture of covenant The former has weakened and destroyed us while the latter will edify and strengthen us As John the Baptist came in the spirit and power of Elijah to prepare the way prophetic voices are now rising to proclaim that the greatest outpouring of the Holy Spirit in history is coming The great last days move of God approaches and the call for preparation now is the same as John preached so long ago Through reliable prophetic voices God now cries for holiness and cleansing to uproot everything in ourselves and in our churches not solidly rooted in the nature of Jesus and the Father

Does God Have a Gay Agenda? Brian King, 2021-09-28 There's a war raging all around us for the souls of men and women for the souls of not only a generation but of an entire community An entire nation if you will That nation is the LGBTQ community and its adversary it's sad to say is the mainstream Evangelical Church in America Pastor Brian King believes that God loves the LGBTQ community and has a specific plan for them With the scripture to back it up he will

attempt to prove that the Bible does not say what the Church claims it says concerning same sex relationships Scripture has been misinterpreted from its original writing sometimes accidentally and other times for ideological or political gain Does God have a Gay Agenda will show that the Church in America has fought every single new move of God s Spirit for the last hundred plus years has betrayed her savior and has sold herself for political power Being LGBTQ is not a choice but staying ignorant is It is time that Evangelical Christians were made aware of the error of their ways with respect to the LGBTQ community as well as of the Church s involvement in politics at the expense of the Gospel And it is time to let the LGBTQ community know that they are loved and bring them into relationship with their Father The Non-Religious and the State Jeffrey Tyssens, Niels De Nutte, Stefan Schröder,2024-06-25 **The Word** Kaye Spencer,2010-05 The Word by author Rev Kaye Spencer is a book of enlightenment that will enable you to overcome everyday obstacles and tribulations It offers a clearer perspective of spiritual truths and inspires a closer relationship with God This book is a spirit nourishing instrument that will guide readers to the essence of spirituality Spencer encourages readers to embrace a full filled life through the Word of God It brings readers deep into the Holy Bible challenges their thoughts and let them find the right path towards their ultimate journey while knowing more about Jesus Christ and man s responsibility over his own salvation Ken BIG Blake Chicago IL writes Rev Spencer has always been that calm approachable soul in a sea of confusion It was with this insight and comprehension that she was able to translate this gift of The Word into an easy to understand common sense guide to living a spiritual productive lifestyle The words and situations speak to you as if she has looked into a portion of your life and addressed a question that troubled you with an Eureka answer A must read and great gift in this economic upturn For more information on this book log on to [http www Xlibris com](http://www.Xlibris.com) *Spiritual Tsunami* Dr. Fred Thompson,2012-03-16 Current events in the news more and more read and sound like the fulfillment of end times bible prophecies Correlation between the bible and current events is clearer now than five years ago We cannot afford to keep sticking our heads in the sand about this convergence We are not there yet but things are plainly making strong headway toward the reality of prophesied end times happenings The key word is Watch We must remain knowledgeably vigilant Scripture must be studied for clues and signposts of last day events and then comparison must be made with reported events to discern how they relate to one another **The Shaking of the Nations** Dr. Daniel J. Griffiths,2017-02-21 A church member came up to me after a church service and said in the course of our conversation I hope I never live to see the last days of the church I would like to just skip all the problems that generation will face Many Church members when faced with the biblical subject of the last days feel the same way To many churches have failed to prepare God s People for the end times They have allowed fear and not faith to dominate their thinking or have taught them to believe they will never have to face such troubling times Such preaching is failing not only the church but God himself Much of the church is not ready for God s last shaking But God does not have a Plan B God is going to get his church ready Already He is raising up prophetic voices that will awaken his church This is the

challenge and calling God has given me and church leaders around the world get my people ready The greatest days of the church are ahead and will reveal some of the greatest heroes of the church As the Prophet Haggai predicted God is going to shake once again the heavens and the earth to cause the nations to realize that the only stability in life is found in the Kingdom of God The Lord is not going to allow 50% of the world's population to go quietly into hell Scripture is clear that God is going to become audacious in manifesting the life and power of the Kingdom of God He will raise up miraculous witnesses on prime time TV that even Antichrist can not touch He will assign angels to publicly preach the gospel to every village and city in the world Such audacious events will form the greatest climatic harvest wave in Church history It is true that this amazing harvest will be accompanied by the worst persecution the church will ever experience We must face this fact that there will be a generation of the church that will face this great test and it will be sooner rather than later Yet Jesus has instructed us how to face this difficult time with faith and not fear Such a season of redemptive suffering will produce the most glorious and victorious church ever seen in church history This is the first book in a series called the LAST SHAKING Book one will deal with the biblical truth of the great climatic harvest wave the church must prepare for Book two will deal with the coming Elijah Revival the greatest worldwide revival the church will have ever seen Book three will deal with a study of some of the most amazing apostolic strategies that can quickly and effectively disciple this climatic harvest wave It will also deal with the essential need of church unity and the forming of end time Arks to gather the harvest into This is a must read book to help adjust the thinking of church leadership towards the work of the church in the end times God is ready to shake the nations while manifesting a life giving unshakable church Satan will do his worst but God will do his best
