Glory Field Guide Answers:

A Field Guide for Genuine Community Ben Connelly, 2021-07-06 I'm surrounded by people at church so why do I feel so alone? You show up at church every Sunday. You see people you know. You listen to a sermon together. And then you go home feeling just as isolated as you did before. What's going on? We all know that a church is supposed to be a community. The trick is to actually make it one. Communities don't happen by chance; certainly not in our Lone Ranger culture that values independence and individualism. A truly Christian community must be built by intentional practices that allow for deeper connections centered on the unity that can only be found in Christ. In *A Field Guide for Genuine Community*, longtime pastor and discipleship trainer Ben Connelly shows you that the biblical model for community is the family of God. In twenty-five short practical readings, he takes you beyond the surface and helps you learn to connect with your brothers and sisters as true family members. The church isn't meant to be a collection of strangers. God intends for you to find a unified and purposeful household where you truly belong.

The Modern Fortune Teller's Field Guide Tom Benjamin, 2025-10-07 A groundbreaking approach to the practice of divination. Historically, fortune tellers have always stood on the margins of society and been villainized by the Christo-colonial powers that view divination as competition. *The Modern Fortune Teller's Field Guide* takes a contemporary and engaged approach to divination with a strong focus on social responsibility. Because fortune tellers can see the world as it is, they serve as a threat to structures that benefit from secrecy. *The Modern Fortune Teller's Field Guide* is an essential guide to anyone seeking theory and history alongside divinatory knowledge. Though anyone today can pick up a pack of tarot cards or begin casting bones, fortune tellers have a responsibility in taking up that work to not only consider the forebears who suffered for that art but also to understand the systems of oppression that impact our clients. We must understand that spiritually bypassing a client's reality is not only ineffective but also cruel.
