Leader's guide included Story Behind the Book

The greatest news in all the world is that there is no final conflict between my passion for joy and God's passion for His glory

The knot that ties these together is the truth that God is most glorified in us when we are most satisfied in Him

Jesus Christ died and rose again to forgive the treason of our souls which have turned from savoring God to savoring self

In the cross of Christ God rescues us from the house of mirrors and leads us out to the mountains and canyons of His majesty

Nothing satisfies us or magnifies Him more

John Piper 2 Corinthians: An Introduction and Study Guide Jay Twomey, 2017-01-12

This guide considers the historical contexts the literary forms the social and rhetorical backgrounds the politics the theologies and the reception of 2 Corinthians

Each chapter surveys recent scholarly approaches to the text focussing especially on critical perspectives that mesh with our contemporary concerns about gender identity race and class

2 Corinthians becomes in the process less the work of a single 1st century writer than a set of fraught even fractured negotiations between competing interests and impulses conducted in Paul's voice

The last chapter brings the letter into conversation with Nathaniel Hawthorne's short story The Minister's Black Veil in order to shift the terms of the critical discussion from what Paul meant to how Paul means in later cultural moments

Twomey introduces students to the way 2 Corinthians offers a fascinating but fragmentary glimpse into Paul's continuing ties with the Corinthian community

At the same time Twomey shows how the letter is the site of many new critical challenges to traditional readings of Paul and early Christianity

In contrast to 1 Corinthians this 2 Corinthians largely eschews the debates and discussions the interests and concerns of Paul's correspondents

Instead we find Paul engaged in a multi pronged defence of his ministry in and beyond Corinth

Over the course of thirteen chapters he runs the gamut of the emotions rhetorically from tears to joy to biting anger while struggling to keep his relationship with some say his control over the community intact
