Go Add Value Someplace Else A Dilbert Book:

Go Add Value Someplace Else Scott Adams, 2014 Dilbert has managed to keep up with technology like iPads and Twitter over the years as well as advanced systems like the Disaster Preparedness Plan that has its followers eating the crumbs from their keyboards It doesn't get any more sophisticated than that Wally and Alice continue to develop their charismatic ignorance and passivity as they watch Dilbert get abducted by the government for stealing information and contemplate whose side they're on hint apathy wins Front jacket flap Go Add Value Someplace Else Scott Adams, 2014-10-28 More inept managers wacky office politics and nonsensical leadership practices from the man in tune with the workplace culture of today Dilbert has become a hugely successful strip because Scott Adams feels your pain How Because this former employee of a major telecommunications company has been there He's seen the road to failure firsthand And he knows that to successfully navigate the ludicrous world of business you can't expect common sense to prevail you need to keep a sense of humor and above all you must always be ready to blame the other guy The strip's enormous popularity stems from the fact that its millions of readers easily identify with the crazy plots and wacky characters found within the corporate environment Sure most companies don't have a bespectacled engineer with a tie permanently curled up a cynical talking dog and a manager with two pointy tufts of hair But it's the outrageous things Dilbert characters do and say that leave readers knowingly nodding their heads and of course laughing uproariously The antics of Dilbert's cast are based not only on Adams's own corporate experiences but on the numerous e-mails he receives each day about the office dramas of his devoted fans Once every decade America is gifted with an angst-ridden anti-hero a Nietzschean nebbish an us against the universe every person around whom our insecurities collect like iron shavings to a magnet Charlie Chaplin Dagwood Bumstead Charlie Brown Cathy Now Dilbert The Miami Herald Confined to their cubicles in a company run by idiot bosses Dilbert and his white collar colleagues make the dronelike world of Kafka seem congenial The New York Times
