The Morals of the Story David Baggett, Marybeth Baggett, 2018-05-08 For centuries the moral argument that objective morality points to the existence of God has been a powerful apologetic tool In this volume David and Marybeth Baggett offer a dramatic robust and even playful version of the moral argument showing that it not only points to God's existence but that it also contributes to our ongoing spiritual transformation

A Debate on God and Morality William Lane Craig, Erik J. Wielenberg, 2020-07-14 In 2018 William Lane Craig and Erik J Wielenberg participated in a debate at North Carolina State University addressing the question God and Morality What is the best account of objective moral values and duties Craig argued that theism provides a sound foundation for objective morality whereas atheism does not Wielenberg countered that morality can be objective even if there is no God This book includes the full debate as well as endnotes with extended discussions that were not included in the debate It also includes five chapters by other philosophers who have written substantive responses to the debate J P Moreland David Baggett Mark Linville Wes Morriston and Michael Huemer The book provides crucial resources for better understanding moral realism and its dependence on or independence from theistic foundations

Key Features A valuable debate about whether or not God is the best explanation for objective morality bringing together theists and atheists working on the same subject who normally are not in conversation with each other Includes clear coverage of ontological and epistemological issues in metaethical theories focusing on Divine Command Theory and Non natural Robust Moral Realism Engaging and accessible throughout making the book well suited for undergraduate and seminary classrooms

God Proofs Geoffrey Sampson, 2022-05-31 A thousand years ago someone called Anselm decided that people should not believe things just because the Bible said they were so and to his delight he proved the most important issue of all the existence of God as a pure logical theorem Ever since people have argued about his proof the atheist Bertrand Russell found it much easier to say it was fallacious than to identify the fallacy and others have produced independent God proofs This book brings these proofs to life in the context of the people who created them It assumes no technical knowledge and invites readers to decide how convincing they find the arguments [Themelios, Volume 44, Issue 2](#) D. Venus and Virtue Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30 Venus and Virtue are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women s issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative

Morgan,2019-08-13 Everyone has experienced pain No one is immune from loss and suffering With all of the evil in this world how can anyone rationally believe in a good and loving God People who believe in God experience intense evil yet they still retain their faith claiming that God helps them in times of need Still others claim that this same evil is proof that God does not exist that if God were real he would limit the suffering If you have ever thought that it seems that things should be a certain way that you are inclined toward believing or not believing in God because of the existence of evil you are part of the conversation of the abductive problem of evil This book does more than just explore what modern philosophers on both sides of the aisle have claimed about God and evil It also illuminates an intricate world that is crafted for people having free will for people who make moral choices For it is within the realm of this intricate world that we may find the answers we seek

Classical Theism and Buddhism Tyler Dalton McNabb,Erik Baldwin,2022-02-10 As an atheistic religious tradition Buddhism conventionally stands in opposition to Christianity and any bridge between them is considered to be riddled with contradictory beliefs on God the creator salvific power and the afterlife But what if a Buddhist could also be a Classical Theist Showing how the various contradictions are not as fundamental as commonly thought Tyler Dalton McNabb and Erik Baldwin challenge existing assumptions and argue that Classical Theism is in fact compatible with Buddhism They draw parallels between the metaphysical doctrines of both traditions synthesize their ethical and soteriological commitments and demonstrate that the Theist can interpret the Buddhist s religious experiences specifically those of emptiness as veridical without denying any core doctrine of Classical Theism By establishing that a synthesis of the two traditions is plausible this book provides a bold fresh perspective on the philosophy of religion and reinvigorates philosophical debates between Buddhism and Christianity
