## **Going Gray How To Embrace Your Authentic Self With Grace And Style:**

**Going Gray** Anne Kreamer, 2009-01-07 When 49 year old Anne Kreamer saw a horrifying photo of her harshly dyed brown hair she realized she wasn't kidding anyone. So she set out a plan over the next few months she would give up her weekly visits to the salon and let her hair go its natural way. The result is *Going Gray* an exploration of that experience and a frank, funny and unflinchingly wise investigation of aging today. Through interviews, experiments and surprising personal accounts, Kreamer probes the issues behind two of the biggest fears mature women face: Can I be sexually attractive as a gray haired middle aged woman and Will I be discriminated against in the work world. In searching for the balance between attractiveness and authenticity, Kreamer offers an entertaining and valuable look at the politics and personal costs of our definition of aging gracefully.

**Hair Tells a Story** Margo Maine, 2023-01-06 The body is the canvas upon which women paint their secrets, their hopes and dreams, pain and disappointments. Hair has long played a role in the struggles for power, self-determination and autonomy, serving as a nonverbal language that represents women's lives. However, pain, anxiety, racism, sexism and rigid beauty standards can too often underlie these stories. Modern events like the Black Lives Matter movement and the COVID-19 pandemic have exposed societal barriers that prevent the free and equitable expression of hair. Although countless books and articles address body image, the personal psychology and the meaning of hair have been missing. This work empowers women to understand complex hair-head-heart connections and pressures. Above all, the text emphasizes that hair is never just hair.

*What Would Virginia Woolf Do?* Nina Lorez Collins, 2018-04-10 When Nina Collins entered her forties, she found herself awash in a sea of hormones. As symptoms of perimenopause set in, she began to fear losing her health, looks, sexuality, sense of humor, perhaps all at once. Craving a place to discuss her questions and concerns and finding none, Nina started a Facebook group with the ironic name *What Would Virginia Woolf Do*, which has grown exponentially into a place where women, most with strong opinions and fierce senses of humor, have surprisingly candid, lively and intimate conversations. Mid-life is a time when women want to think about purpose, about how to be their best selves and how to love themselves as they enter the second half of life. They yearn to acknowledge the nostalgia and sadness that comes with aging but also want to revel in their hard-earned wisdom. Part memoir and part resource on everything from fashion and skincare to sex and surviving the empty nest, *What Would Virginia Woolf Do* is a frank and intimate conversation mixed with anecdotes and honesty, wrapped up in a literary joke. It's also a destination, a place where readers can nestle in and see what happens when women feel comfortable enough to get real with each other, defy the shame that the culture often throws their way, find solace and laugh out loud and revel in this new phase of life.

**True Roots** Ronnie Citron-Fink, 2019-06-04 Like 75% of American women, Ronnie Citron-Fink dyed her hair, visiting the salon every few weeks to hide gray roots in her signature dark brown mane. She wanted to look attractive, professional, young. Yet as a journalist covering health and the environment, she knew something wasn't right. All those unpronounceable chemical names on the back of the hair dye box

were far from natural. Were her recurring headaches and allergies telltale signs that the dye offered the illusion of health all the while undermining it? So after twenty five years of coloring, Ronnie took a leap and decided to ditch the dye. Suddenly everyone from friends and family to rank strangers seemed to have questions about her hair. How'd you do it? Are you doing that on purpose? Are you OK? Armed with a mantra that explained her reasons for going gray, the upkeep, the cost, the chemicals, Ronnie started to ask her own questions. What are the risks of coloring? Why are hair dye companies allowed to use chemicals that may be harmful? Are there safer alternatives? Maybe most importantly, why do women feel compelled to color? Will I still feel like me when I have gray hair? True Roots follows Ronnie's journey from dark dyes to a silver crown of glory from fear of aging to embracing natural beauty. Along the way, readers will learn how to protect themselves, whether by transitioning to their natural color or switching to safer products. Like Ronnie, women of all ages can discover their own hair story, one built on individuality, health, and truth.

[The Change](#) Germaine Greer, 2018-08-14. An updated edition of Germaine Greer's revolutionary discussion of menopause, which the New York Times Book Review called a brilliant, gutsy, exhilarating, bruising, exasperating, fury of a book. A quarter of a century after the first publication of Germaine Greer's now canonical look at women's experience later in life, the renowned feminist and prolific author updates and expands her essential book, *The Change*. Despite improvements over the last few years, discussions about menopause are still hampered by a huge variance in conventional wisdom about what happens when it happens, when it can be said to be over, and how to deal with it. After decades, the same misinformation and ineffective methods are still being widely touted and proliferating at an alarming rate due to the rise of the Internet. In this updated edition of her groundbreaking book, Greer debunks stubborn myths and presents a vital new perspective on the emotional and physical changes, including up-to-date medical details, women face today when they go through what's known as the change. Greer also addresses cultural changes that surround female aging today, launching a clear and necessary protest against the notion that women should shrink into the background as they grow older. She argues that menopause marks the point in a woman's life when she should be able to stop apologizing and bask in the freedom and joy that come with her later years. Witty, wise, and timely, this new edition of *The Change* offers a crucial twenty-first century guide to the change that every woman faces.

*The Masses are the Ruling Classes* William M. Epstein, 2017. *The Masses are the Ruling Classes* argues that popular sentiments rule social decision making and that elites are essentially obedient to democratic preferences and not the other way around. The US is deeply committed to a series of values: extreme individualism, emotional sources of truth, and a sense of chosenness that stunt its social development. These ideas are developed in the context of iconic social welfare programs.

*Radiant Rebellion* Karen Walrond, 2023-10-17. 2024 Nautilus Book Awards Silver Winner in Aging Consciously Category. Audiofile Earphones Award Winner from Tantor. What if aging is something to aspire to, not to dread? What if together we could forge a radiant rebellion against the idea of aging as a season of decline? Join Karen Walrond, author of *The Lightmaker's Manifesto*, in this intriguing investigation into how we can

reclaim aging cultivate joy and resist ageism During her own year of transition a milestone birthday a wedding anniversary the emptying of the nest Walrond in the buoyant and luminous style her readers have come to love does a deep dive into dimensions of getting older including health beauty spirituality connection adventure and meaning and purpose Through conversations with social workers and neurologists activists and clergy Walrond satisfies her curiosity and ours about why the dominant culture treats aging as a time of dwindling capacity She also embarks on a series of experiments that help her rebel against convention letting her hair go naturally gray going on a silent retreat revamping her health practices and plotting her next adventure Internalized ageism bias against our future selves is not our only option we can write a different story of aging than the one we've been handed With wisdom from luminaries who light our way Walrond helps us radiantly rebel against the fads and assumptions that hold us back redefine the adventure of getting older and create a shining future of expanded potential We might even raise a little hell while we're at it A resources section offers journal prompts and strategies for creating a handbook for your own radiant rebellion
