You'll also find explanations of why the six break the rules mindsets fly in the face of conventional business and business school wisdom. Strategies for dealing with skating around or otherwise overcoming the daunting obstacles that stand in every innovator's way. Ways to challenge assumptions and mitigate risk in order to take advantage of opportunities that present themselves along your entrepreneurial path. Steps you can take now to make one or more of these mindsets your own. An essential new take on entrepreneurship and on what it takes to be or become more entrepreneurial. *Break the Rules* sheds new light on an oft discussed but rarely understood area of business.
