BOOK JACKET

The Theatre of Kander and Ebb Robert Gordon, 2025-07-24 Discover John Kander and Fred Ebb, the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein, in a brand new way. Identifying the theatrical approach that renders their musical dramaturgy unique, this book explores their importance within and contribution to musical theatre history. Through their biggest hits, *Cabaret* (1966) and *Chicago* (1975), Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers. Unlike Sondheim, whose work from 1964 increasingly aspired towards the avant-garde, Kander and Ebb located their projects in a nexus between art and commercial entertainment, seeking to deconstruct popular forms in order to expose their ideological function. This book investigates the full range of Kander and Ebb's collaboration, from the pure comic entertainment of *70 Girls* (1971) and *Curtains* (2006) to more overtly serious musicals such as *Kiss of the Spiderwoman* (1992), *The Scottsboro Boys* (2010), and *The Visit* (2014), which were less commercially successful precisely because they addressed disturbing subjects. It explores how the difficult material inspired beautiful though challenging scores. It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self-reflection in order to create complex yet popular masterpieces of the genre. This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb's musicals, offering an in-depth introduction to their oeuvre.

[The Making of Cabaret](#) Keith Garebian, 2011-04-20 An engaging and compelling production history of the original Broadway version of *Cabaret*; this book is a meticulous record of how a great musical came into being. Encompassing everything from literary sources to music and lyrics design and production process, it is the ultimate reference for theatre specialists and general readers alike.

Greenfield, 2021-03-29. *American Musicals in Context: From the American Revolution to the 21st Century* gives students a fresh look at history-based musicals, helping readers to understand the American story through one of the country's most celebrated art forms: the musical. With the hit musical *Hamilton* (2015) captivating audiences and reshaping the way early U.S. history is taught and written about, this book offers insight into an array of musicals that explore U.S. history. The work provides a synopsis, overview of critical and audience reception, and historical context and analysis for each of 20 musicals selected for the unique and illuminating way they present the American story on the stage. Specifically, this volume explores musicals that have centered their themes, characters, and plots on some aspect of America's complex and ever-changing history. Each, in its own way, helps us rediscover pivotal national crises, key political decisions, defining moral choices, unspeakable and unresolved injustices, important and untold stories, defeats, suffered victories won in the face of monumental adversity, and the sacrifices borne publicly and privately in the process of creating the American narrative: one story at a time. Students will come away from the volume armed with the critical thinking skills necessary to discern fact from fiction in U.S. history.

A Million Miles from Broadway: Revised and Expanded Edition Mel Atkey, 2019. Musical theatre is and always has been an international form, not just an American one. It can take root anywhere. Few people would realise that such hit standards as *The Glow Worm*, *Brazil*, *Mack the Knife*, *I Will Wait for You*, and *El Condor Pasa* came from foreign-language musicals. *A Million Miles from Broadway: Musical Theatre Beyond New York and London* looks at the history and future of work that exists outside of the two traditional centres. Mel Atkey has lectured internationally on musical theatre. He is also a composer and lyricist himself. When his musical *A Little Princess* (written with the late Robert Siskinger) opened, the *New York Times* praised its lovely music. His earlier book *Broadway North: The Dream of a Canadian Musical Theatre* has become the basis for courses taught in Canadian Universities, including Sheridan College, where the international hit musical *Come from Away* was born.
