Shakespeare's Tragedy of Macbeth William Shakespeare,1902

William Shakespeare's Macbeth Alexander Leggatt,2006 This guide to Shakespeare s play presents introductory comments on the contexts critical history and performance of the text annotated extracts from key contextual documents cross references between documents and sections of the guide suggestions for further reading Macbeth Joseph Pearce,William Shakespeare,2010-02-05 Arguably the darkest of all Shakespeare s plays Macbeth is also one of the most challenging Is it a work of nihilistic despair a tale told by an idiot full of sound and fury signifying nothing or is it a cautionary tale warning of the dangers of Machiavellianism and relativism Does it lead to hell and hopelessness or does it point to a light beyond the darkness This critical edition of Shakespeare s classic psychological drama contains essays by some of today s leading critics exploring Macbeth as a morality play as a history play with contemporary relevance and as a drama that shows a vision of evil and that grapples with the problem of free will The Ignatius Critical Editions represent a tradition oriented alternative to popular textbook series such as the Norton Critical Editions or Oxford World Classics and are designed to concentrate on traditional readings of the Classics of world literature Whereas many modern critical editions have succumbed to the fads of modernism and post modernism this series will concentrate on tradition oriented criticism of these great works Edited by acclaimed literary biographer Joseph Pearce the Ignatius Critical Editions will ensure that traditional moral readings of the works are given prominence instead of the feminist or deconstructionist readings that often proliferate in other series of critical editions As such they represent a genuine extension of consumer choice enabling educators students and lovers of good literature to buy editions of classic literary works without having to buy into the ideologies of secular fundamentalism The series is particularly aimed at tradition minded literature professors offering them an alternative for their students The initial list will have about 15 20 titles The goal is to release three books a season or six in a year **Ready to Teach: Macbeth:A compendium of subject knowledge, resources and pedagogy** Amy

Staniforth,Stuart Pryke,2020-10-23 What is the best approach for helping students to understand higher level concepts How can specific subject knowledge be implemented in lessons Ready to Teach Macbeth brings together the deep subject knowledge resources and classroom strategies needed to teach Shakespeare s tragic play for GCSE as well as the pedagogical theory behind why these ideas work helping teachers to deliver a knowledge rich curriculum with impact Each chapter contains lesson by lesson essays and commentaries that enhance subject knowledge on key areas of the text alongside fully resourced lessons reflecting current and dynamic best practice The book also offers an introduction to the key pedagogical concepts which underpin the lessons and why they are proven to help students develop powerful knowledge and key skills Whether you are new to teaching or looking for different ways into the text Ready to Teach Macbeth is the perfect companion to the study of the Scottish play **The Cambridge Shakespeare Library** Catherine M.
