## **Madeline Series:**

*Madeline Series 8 Books Set (Paperback Edition)* John Bemelmans Marciano, 2016-08-02      *She Can Bring Us Home* Diane Kiesel, 2019-03-01 Long before it became the slogan of the presidential campaign for Barack Obama Dorothy Ferebee 1898 1980 lived by the motto Yes we can An African American obstetrician and civil rights activist from Washington DC she was descended from lawyers journalists politicians and a judge At a time when African Americans faced Jim Crow segregation desperate poverty and lynch mobs she advised presidents on civil rights and assisted foreign governments on public health issues Though articulate visionary talented and skillful at managing her publicity she was also tragically flawed Ferebee was president of the Alpha Kappa Alpha black service sorority and later became the president of the powerful National Council of Negro Women in the nascent civil rights era She stood up to gun toting plantation owners to bring health care to sharecroppers through her Mississippi Health Project during the Great Depression A household name in black America for forty years Ferebee was also the media darling of the thriving black press Ironically her fame and relevance faded as African Americans achieved the political power for which she had fought In *She Can Bring Us Home* Diane Kiesel tells Ferebee s extraordinary story of struggle and personal sacrifice to a new generation      *Violent Femmes* Rosie White, 2007-11-13 The female spy has long exerted a strong grip on the popular imagination With reference to popular fiction film and television *Violent Femmes* examines the figure of the female spy as a nexus of contradictory ideas about femininity power sexuality and national identity Fictional representations of women as spies have recurrently traced the dynamic of women s changing roles in British and American culture Employing the central trope of women who work as spies Rosie White examines cultural shifts during the twentieth century regarding the role of women in the professional workplace *Violent Femmes* examines the female spy as a figure in popular discourse which simultaneously conforms to cultural stereotypes and raises questions about women s roles in British and American culture in terms of gender sexuality and national identity Immensely useful for a wide range of courses such as film and television studies English cultural studies women s studies gender studies media studies communications and history this book will appeal to students from undergraduate level upwards      *Grand Designs* Aneta Podkalicka, Esther Milne, Jenny Kennedy, 2018-11-28 This is the first academic book to examine the long running hit series *Grand Designs* which occupies a significant place in the popular imagination internationally The authors apply an empirically grounded critical perspective to the study of television to reveal how people use the program in their everyday lives The emphasis on everyday uses and meanings combines creatively with understanding the program theoretically textually and in terms of its production structures This position challenges framings of the popular lifestyle and factual television genre that has been dominated by a neoliberal or governmentality perspective for many years Presented by British designer and writer Kevin McCloud *Grand Designs* follows the progress of home owners as they embark on design renovation and building projects at almost always dizzying scales of endeavour Understanding the

program as both a text to analyse and a site of material impact the book draws on interviews with production members home renovators building practitioners and audiences as well as references to associated media formats to provide contextual depth to the analysis The authors argue that as a cultural object the program is both shaped by and enacts social discourses of home making design value and taste Navigating public commercial and promotional logics Grand Designs sparks new forms of cultural production and consumer markets

**Books Children Love (Revised Edition)** Elizabeth Laraway Wilson,2002-10-30 A love for reading is one of the most precious gifts that we can give children It nurtures their imagination and creativity lets them explore other worlds and opens their minds to new truths and knowledge in appealing inspiring ways But how can we sort through thousands of children s books to discover the really worthwhile ones Elizabeth Wilson offers us a newly revised comprehensive guide to the very best in children s literature Just as in the original volume she comments on the tone and content of excellently written captivating books in over two dozen subject areas Hundreds of new titles have been added while retaining timeless classics and modern favorites all of which respect traditional values So that no matter what the children s ages are or whether they love fact or fiction you can trust these books to share things that you can believe in and kids will delight in

*Paris by the Book* Liam Callanan,2019-01-15 NATIONAL BESTSELLER A missing person a grieving family a curious clue a half finished manuscript set in Paris Once a week I chase men who are not my husband When eccentric novelist Robert Eady abruptly vanishes he leaves behind his wife Leah their daughters and hidden in an unexpected spot plane tickets to Paris Hoping to uncover clues and her husband Leah sets off for France with her girls Upon their arrival she discovers an unfinished manuscript one Robert had been writing without her knowledge and that he had set in Paris The Eady girls follow the path of the manuscript to a small floundering English language bookstore whose weary proprietor is eager to sell Leah finds herself accepting the offer on the spot As the family settles into their new Parisian life they trace the literary paths of some beloved Parisian classics including Madeline and The Red Balloon hoping more clues arise But a series of startling discoveries forces Leah to consider that she may not be ready for what solving this mystery might do to her family and the Paris she thought she knew Charming haunting and triumphant Paris by the Book follows one woman s journey as she writes her own story exploring the power of family and the magic that hides within the pages of a book

**Kiplinger's Personal Finance** ,1998-12 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics
