Mafia Kingfish Carlos Marcello And The Assassination Of John F Kennedy:

Mafia Kingfish John H. Davis, 1989 Was the assassination of John F Kennedy actually masterminded by a desperate mob boss The House Select Committee on Assassinations seemed to agree it named New Orleans Mafioso Carlos Marcello its prime suspect in 1979 Now in *Mafia Kingfish* John H Davis reveals stunning new evidence of Marcello s complicity in the murders of both John and Robert Kennedy **Carlos Marcello** Stefano Vaccara, 2013-11-15 Like getting a pebble out my shoe New Orleans is the true birthplace of the Sicilian mafia in America Carlos Marcello controlled organized crime in Louisiana and across the Southeast in the 1950s and 60s He was untouchable until he met the Kennedy Brothers Once Robert Kennedy became attorney general Marcello was deported to Guatemala and swore to seek revenge It became a duel to the death Marcello found his patsy a former marine with a Russian wife Lee Harvey Oswald was the perfect fall guy but he never pulled the trigger **The Radical Right and the Murder of John F. Kennedy** Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone s major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone s preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw s law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw s book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone s major work on the medical evidence High Treason 2 were JAMA s targets and the depositions contain much discussion of Mr

Livingstone's major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called *The Hoax of the Century Decoding the Forgery of the Zapruder Film* **LBJ: The Mastermind of the JFK Assassination** Phillip F. Nelson, 2011-11-22 Over the years since John F Kennedy was assassinated many alternate scenarios have been put forward to challenge the official Lee Harvey Oswald as lone gunman story Nelson reviews a massive amount of secondary sources to support his own hypothesis that the mastermind behind the assassination was then VP Lyndon Johnson LBJ's position as Kennedy's successor and narcissistic sociopathic personality combined with his fear of a Kennedy plan to remove him from the upcoming 1964 ticket form the basis of Nelson's conjecture He dismisses the Warren Commission review of the evidence as a cover up stating that it has become more and more apparent that much of the evidence originally put forward was invented or modified Nelson admits his position is speculative and amalgamates elements of previously offered conspiracy scenarios but despite his attention to troubling loose ends in the official report his effort to point the figure at President Johnson remains tendentious c Copyright PWxyz LLC All rights reserved **Brothers** David Talbot, 2007 Acclaimed journalist Talbot tells in a riveting well researched narrative just how explosively alienated the Kennedy administration was from its own national security apparatus and that Robert Kennedy planned to open an investigation into his brother's assassination **He Was Expendable: National Security, Political and ...** , **See No Evil Jim** DeBrosse, 2018-03-29 After more than fifty years of new evidence and new theories the Warren Commission's claim that Lee Harvey Oswald acted alone and without clear motive in assassinating John F Kennedy has become a wheezing jalopy running on missing and broken parts and fueled with lies And yet the U S media continue to support its findings as the only factual explanation for the murder of JFK Why does the media marginalize and even ridicule more plausible conspiracy theories when the majority of American people long ago wrote off the Warren Report as a cover up See No Evil analyzes the built in biases of the U S corporate media exposes its complicity in the whitewashing and advocates for the broadest possible investigation into the key players who may have been responsible for the Crime of the Twentieth Century including the CIA Organized Crime and Israel This book is meant for readers who seek the truth no matter where it leads **Robert Kennedy** James Hilty, 2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power **Killing the President** Willard M. Oliver, Nancy E. Marion, 2010-08-05 This book offers an analysis of every American presidential assassination and various attempted assassinations examining the events surrounding each event and the people involved The assassinations and attempted assassinations of American presidents were pivotal events

that reverberated throughout the nation even in cases where the murder was botched The individuals behind each plot are often fascinating studies in obsession and distorted perception of reality like President James Garfield s assassin who spent an extra dollar on the gun he chose for the act simply because it would look better in a museum display after the event For the first time under one cover this text offers a concise study of every presidential assassination attempt and rumor Each chapter focuses on a single American assassination providing an analysis of the president the assassin and the events that shaped their arrival at that place in time The chapter then describes the assassination or attempt itself and the long term impacts of the crime Accounts of the more contemporary incidents involving Presidents John F Kennedy Richard Nixon Jimmy Carter Ronald Reagan George H W Bush Bill Clinton and George W Bush especially demonstrate the evolution of the monumental task of protecting the U S president in a free and open society
