You can stop and resume projection easily by opening and closing the A/V mute slide which makes giving clear presentations easier.

■ A single foot design means you do not have to make any difficult levelling adjustments

You can easily make height adjustments with one hand.

☛ *Quick Start Guide*

Enhanced security functions

■ Password Protect to restrict and manage users

By setting a password you can restrict who can use the projector. ☛ [p.18](#)

■ Operation Lock restricts button operation on the control panel

You can use this to prevent people from changing projector settings without permission at events, in schools, and so on. ☛ [p.20](#)

■ Equipped with various anti-theft devices

The projector is equipped with the following security devices. ☛ [p.21](#)

- Security slot
- Security cable installation point

Easy to handle

■ Direct power On/Off (EMP-83/822 only)

In places where power is managed centrally, such as in a conference room, the projector can be set to power on and off automatically when the power source to which the projector is connected is switched on or off.

■ No cool down delay

After turning the projector's power off, you can disconnect the projector's power cable without having to wait for the projector to cool down first.
