Florida's Other Courts Robert M. Jarvis,2018-02-12 This book is designed to acquaint readers with eight Florida courts that do not fit the standard federal state court paradigm Manual for Courts-martial United States. Department of Defense,1951 *Manual for Courts-martial, United States* ,1994 **Street-Level Sovereignty** Sarah Marusek,John Brigham,2017-10-03 Street Level Sovereignty The Intersection of Space and Law is a collection of scholarship that considers the experience of law that is subject to social interpretation for its meaning and importance within the constitutive legal framework of race deviance property and the communal investiture in health and happiness This book examines the intersection of spatiality and law through the construction of place and how law is materially framed US Army Physician Assistant Handbook The Borden Institute, U.S. Army Medical Department,2018-09-10 The Army physician assistant PA has an important role throughout Army medicine This handbook will describe the myriad positions and organizations in which PAs play leadership roles in management and patient care Chapters also cover PA education certification continuing training and career progression Topics include the Interservice PA Program assignments at the White House and the Old Guard 3d US Infantry Regiment and roles in research and recruiting as well as the PA s role in emergency medicine aeromedical evacuation clinical care surgery and occupational health More titles produced by the US Army Borden Institute can be found here <https://bookstore.gpo.gov/agency/borden-institute> Check out our Healthcare Teamwork Patient Safety resources collection here <https://bookstore.gpo.gov/catalog/healthcare-teamwork-patient-safety-teamstepps> Best Care Everywhere can be found here <https://bookstore.gpo.gov/products/best-care-everywhere> *Code of Federal Regulations* ,2016 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries

Military Justice: A Very Short Introduction Eugene R. Fidell,2016-09-01 You can t handle the truth These iconic words bellowed by Jack Nicholson as Colonel Jessup in the 1992 movie A Few Good Men became an emblem of the conflict between honor and truth that the collective imagination often considers the quintessence of military justice The military is the rare part of contemporary society that enjoys the privilege of policing its own members behavior with special courts and a separate body of rules Whether one is for or against this system military trials are fascinating and little understood This book opens a window on the military judicial system offering an accessible and balanced assessment of the strengths and

weaknesses of military legal regimes around the world It illuminates US military justice through a comparison with civilian and foreign models for the administration of justice with a particular emphasis on the UK and Canadian military justice systems Drawing on his experience as a serving officer private practitioner and law professor Eugene R Fidell presents a hard hitting tour of the field exploring military justice trends across different countries and compliance or lack thereof with contemporary human rights standards He digs into critical issues such as the response to sexual assault in the armed forces the challenges of protecting judicial independence and the effect of social media and modern technology on age old traditions of military discipline A rich series of case studies ranging from examples of misconduct such as the devastating Abu Ghraib photos to political tangles such as the Guant namo military commissions throw light on the high profile and occasionally obscure circumstances that emerge from today s military operations around the world As Fidell s account shows by understanding the mechanism of military justice we can better comprehend the political values of a country [The Military as a Separate Society](#) Pauline Collins,2019-10-09 The exercise of public power by the military in civilian Western democracies such as Australia and the United States demonstrates a tendency toward diminished responsibility for moral behavior Pauline Collins argues that a different system of military criminal investigation and discipline outside the civilian justice system enables the military to operate like a coterie and can lead to a failure in the requisite moral standard of behavior required of military personnel and maintaining civilian institutional control Collins argues that the justifications for separate treatment weakens both the military reputation and the practice of civilian control of the military as well as leading to an overall decline in morality and values in a democratic society **Practical Aspects of Rape Investigation** Ann Wolbert Burgess,2025-04-15 The latest sixth edition of Practical Aspects of Rape Investigation is a fully updated comprehensive volume on investigative procedures and victim oriented case management for professionals assisting victims of rape and sexual assault Rape and sexual assault cases have a devastating societal impact particularly among the vulnerable populations most affected including women children the elderly minorities and members of the LGBTQ communities Such cases are all too common and unfortunately the number of cases continues to rise As such the need for a current reference on the topic has never been more pressing Edited by Ann Wolbert Burgess the subject of Hulu s 2024 documentary series Mastermind To Think Like a Killer and an internationally recognized researcher and pioneer in the assessment and treatment of victims of trauma and abuse this book covers various topics contributed to by experts from a broad range of fields Leading academics researchers and investigative professionals address the problem of rape and sexual assault holistically focusing on the core principles of real world investigative techniques behavioral profiling investigative strategies and techniques social worker involvement and victimology When a rape case goes undetected or unreported a violent offender remains on the streets with the opportunity to reoffend often repeatedly Because victims are frequently reluctant to speak out or act in such cases this book aims to raise awareness and ultimately decrease the number of silent

victims and improve rape investigative capabilities and outcomes Practical Aspects of Rape Investigation Sixth Edition provides the essential tools and techniques for professionals to best serve and advocate for victims It continues to serve as an invaluable reference for students legal professionals and case managers and as a blueprint for investigators and law enforcement professionals on case management best practices *Managing Sex in the U.S. Military* Beth Bailey,Alesha E. Doan,Shannon Portillo,Kara Dixon Vuic,2022-05 The U S military is a massive institution and its policies on sex gender and sexuality have shaped the experiences of tens of millions of Americans sometimes in life altering fashion The essays in *Managing Sex in the U S Military* examine historical and contemporary military policies and offer different perspectives on the broad question How does the U S military attempt to manage sex This collection focuses on the U S military s historical and contemporary attempts to manage sex a term that is in practice slippery and indefinite encompassing gender and gender identity sexuality and sexual orientation and sexual behaviors and practices along with their outcomes In each chapter the authors analyze the military s evolving definitions of sex sexuality and gender and the significance of those definitions to both the military and American society *2018 CFR Annual Print Title 32 National Defense Parts 1 to 190* Office of The Federal Register,2018-07-01 **Racial Disparities in the Department of the Air Force Military Justice System** Shamena Anwar,Jhacova Williams,Nelson Lim,2024-04-10 Although the existence of racial disparities within the Department of the Air Force military justice system has been well established the causes of these disparities have not yet been determined This report uses a mixed methods approach to identify how disparities in the military justice system can arise at what stages of the system the disparities occur and what factors can explain the disparities **Equality** Robert E. Tully,Bruce Chilton,2019-12-12 The essays in this volume on the subject of equality are the work of scholars at Bard College and West Point Their research falls within the areas of history religion legal theory social science ethics and philosophy The regions covered include the Middle and Far East Europe and America the time periods studied are both contemporary and historical Each essay is a well detailed exploration which assumes the reader has no prior acquaintance with the topic Together the studies reveal both conflicting standards of equality as well as patterns of pernicious inequality In an ideal world equality and inequality among humans would vary in acceptable proportion increase of the one ensuring decrease of the other Unfortunately as the studies illustrate any such expectation of progress in the real world is almost routinely thwarted Despite the wide variety of topics a common thread binds these essays Human nature seems to harbor a moral deficiency lying deeper than any written laws and those traditional customs which promote inequality and breed injustice The fault is prominent in those who champion unjust laws or who willingly enforce discrimination but it is no less active in the silent many who condone the practice The essays reveal the same persistent and unappealing trait which social groups from the remote past to the present manifest in various ways blind determination to perpetuate whatever advantages one group believes it enjoys over another convinced that its own members are more equal than theirs Being made unequal the others

too easily become targets who are considered less worthy sometimes even less human *Fundamentals of Military Medicine* Francis G. O'Connor, Eric B. Schoomaker, Dale C. Smith, 2019-06-03 An introduction to military medicine for medical students new to the military Military medicine is the application of medical art and science in a military setting for the benefit of the military organization through optimal care of the combatant Topics include the history of military medicine leadership the management and treatment of trauma and mass casualties in frequently austere field and ship environments the humane clearing of the battlefield vaccines and protection against exotic global pathogens both manmade and naturally occurring unique psychological stressors of war biodefense against chemical and nuclear weapons facilitating return to duty and the eventual return and reintegration home of valuable human resource This first of its kind textbook offers both authoritative scholarship and the experience of high level medical officers for the new medical officer within any of the armed services ranging from medical surgical nursing dental veterinary and more It also provides health education and research for the military health professional s deployed to save enlisted military lives and helps to educate medical students with military medical practices and leadership Court-martial Reports of the Judge Advocate General of the Air Force United States. Air Force. Judge Advocate General, 1950 Vol 4 contains cumulative table of cases reported and citator **TC 7-21.13 The Soldier's Guide** Headquarters Department of the Army, 2017-09-27 This training circular is meant to be a reference for subjects in which all Soldiers must maintain proficiency regardless of rank component or military occupational specialty MOS It condenses information from Army Doctrine Publications ADPs Army Doctrine Reference Publications ADRPs Field Manuals FMs Training Circulars TCs Army Regulations ARs and other Army publication sources It addresses general subjects and is not all inclusive or intended as a stand alone document This guide offers Soldiers a ready reference on many subjects The Soldier s Guide describes the Army Values Army Ethic the fundamental obligations of a Soldier and the basics of leadership The principal audience for TC 7 21 13 is all Soldiers of the Army Profession but primarily those from ranks of PVT thru SPC TC 7 21 13 applies to the Active Army Army National Guard ARNG United States Army Reserve USAR and Army civilians unless otherwise stated *Code of Federal Regulations* United States. President, 1987 Special edition of the Federal register **The Law of Armed Conflict** Gary D. Solis, 2021-10-21 This book introduces students to the essential questions of the law of armed conflict and international humanitarian law
