The practice tests align with the CASAS Competencies and meet the rigorous requirements of the College and Career Readiness Standards (CCRS), the National Reporting System (NRS), and the Workforce Innovation and Opportunity Act (WIOA). Adhering to the CASAS Math GOALS 2 test blueprint, the practice tests assess learners' understanding of the following math areas: Number Sense and Operations, Consumer Economics, Algebraic Thinking, Geometry, Data Analysis and Statistics, and Pure Mathematics. More importantly, this resource provides learners with strategies to practice math, increase their confidence, reflect on their learning and progress, and transfer their knowledge to other contexts. Each practice test includes real-world activities that promote deep understanding and practical application of mathematical concepts. An answer key also accompanies each test. By using this resource, you can save time, distribute practice sessions over several weeks, and assess and reinforce your learners' understanding of math functions and concepts.
