

Baseball Math Logic Puzzle

Directions: You are given the clues listed to find out which team the baseball players left behind. Additionally, you'll need to complete information for each team to see the team which is best at the game listed below. Each statement in the grid with an F and T will determine which is your answer.

- The players played better than the players but worse than the best.
- The players' team played better than the team.
- Both teams were playing from the same team.
- The players for the best team will be competing in the game next.
- The team played better than the team in the game.
- The players were the best team, but they didn't play in the game.
- One is a great player but doesn't play for the players.
- Neither team has been playing since.
- Neither's team is not a great player. None of the players.
- Neither's team is not a great player.
