Straw Hats Harry Inwards,2015-08-05 Excerpt from Straw Hats Their History and Manufacture It will be noticed throughout this book that the author has deviated from the dictionary methods of spelling words illustrative of the action of plait The Oxford Dictionary reads Plait pleit ploet plit see also plat Plat To form hats etc is now a less usual spelling than plait Plat ting the action of plat Nuttall gives the pronunciation of plait as plate and that of the action word plaited as plated In the district where the manufacture is sufficiently ancient to have

established a claim to its regular pronunciation plait as it is invariably spelt has always been pronounced plat and the action words plat ter plat ted and plat ting That this is not a local solecism of pronunciation is proved by the renderings given under the headings plat and platting in the Oxford Dictionary and further a literary and ancient example can be found in Lover s Complaint where Shakespeare speaks of a plat ted hive The author thinks it is time some definite method in proper accord with the custom of the industry should be adopted and he proposes a precedent which he claims to be well founded and sensible viz to continue to use the word plait pronounced plat as the substantive and to establish the spelling plait ter plait ted and plait ting as designations of the action words properly interpreting the universal pronunciation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
