Have A Good Day For Jesus And John Wayne:

Have a Good Day for Jesus and John Wayne. Richard G. Britz,2013-11 Are you a terrorist the officer asked me in broken French English through the big smile on his face I smirked and answered back I have been accused of that The smile left his face and I figured out pronto that my Texas sense of humor was not appreciated and an African prison could be in my future This is a story at once simple and complex and you will find yourself laughing on one page and tearing up on the next In the alien landscape of west central Africa as a paramedic a wildly limiting title Britz finds beauty hope and lessons of love faith and making a difference Have a Good Day for Jesus and John Wayne is equally an adventure story a drama a black comedy a comedy comedy and a testimony and does not allow itself to be returned to its shelf until the reading is done Again and again and again the message of God s ever presence gentle caring and eagerness to be called on radiates from diverse situations Richard G Britz is the quintessential action adventure guy Having a good day for Jesus and John Wayne truly sums up the way he lives He can be found wandering between Texas and Africa on a regular basis working practicing his unique style of full contact evangelism Whether he is at work as a medic a teacher or a hand saving souls fighting death stamping out disease or building a fence his passion God s calling on him shines through He is married with three daughters two dogs and calls the hill country of Texas home

The Flag and the Cross Philip S. Gorski,Samuel L. Perry,2022 In this short primer Gorski and Perry explain what white Christian nationalism is and is not when it first emerged and how it has changed where it s headed and why it threatens democracy Tracing the development of this ideology over the course of three centuries and especially its influence over the last three decades they show how white Christian nationalism motivates the anti democratic authoritarian and violent impulses on display in our current political moment When We Belong Rohadi Nagassar,2022-06-14 Step into a journey

toward liberation belonging and a faith that makes you whole again We need belonging to survive and thrive but too often the church is an impediment For Christians who know the pain isolation and loss of identity that comes with the ongoing struggle to be seen in churches and institutions full of barriers to belonging you are not alone Sometimes it can feel easier to walk away from faith completely But there is another way When it feels as though there s no place left to belong Jesus invites us into a love that knows no bounds and a community that truly liberates In this hope filled book author Rohadi Nagassar brings the margins to the center to help readers rediscover a reality of love belonging and beauty through the journey of deconstructing decolonizing and reclaiming faith For those on the margins struggling to find belonging for everyone who wants to join in building radically inclusive communities where all people can live fully in their own skin now begins a journey to find this freedom

Catalog of Copyright Entries Library of Congress. Copyright Office,1961 **Compassion** Travis A. Miller,2022-08-24 What does it mean to be compassionate How does it go beyond merely caring for others The last several years in America have seen a sharp decline in compassion A deep political divide has surfaced and even worse those who are

called most to be compassionate and caring have often betrayed the very beliefs they profess It has created a roiling climate where us against them has become the initial focus on every issue Each side would rather win than be proven right because the other is automatically wrong simply by being the other At the center of this battle is the Christian faith which has been exploited by some and compromised by others The same people that derided Bill Clinton in the nineties for his personal indiscretions now laud Donald Trump as a savior despite similar indiscretions For those that were raised in this it can cause a crisis of faith

The Gospel of J. Edgar Hoover Lerone A. Martin,2024-11-05 The shocking untold story of how the FBI partnered with white evangelicals to champion a vision of America as a white Christian nation On a Sunday morning in 1966 a group of white evangelicals dedicated a stained glass window to J Edgar Hoover The FBI director was not an evangelical but his Christian admirers anointed him as their political champion believing he would lead America back to God The Gospel of J Edgar Hoover reveals how Hoover and his FBI teamed up with leading white evangelicals and Catholics to bring about a white Christian America by any means necessary Lerone Martin draws on thousands of newly declassified FBI documents and memos to describe how under Hoover s leadership FBI agents attended spiritual retreats and worship services creating an FBI religious culture that fashioned G men into soldiers and ministers of Christian America Martin shows how prominent figures such as Billy Graham Fulton Sheen and countless other ministers from across the country partnered with the FBI and laundered bureau intel in their sermons while the faithful crowned Hoover the adjudicator of true evangelical faith and allegiance These partnerships not only solidified the political norms of modern white evangelicalism they also contributed to the political rise of white Christian nationalism establishing religion and race as the bedrock of the modern national security state and setting the terms for today s domestic terrorism debates Taking readers from the pulpits and pews of small town America to the Oval Office and from the grassroots to denominational boardrooms The Gospel of J Edgar Hoover completely transforms how we understand the FBI white evangelicalism and our nation s entangled history of religion and politics
