**Sexperiment** Ed Young, Lisa Young, 2012-01-10. The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly: the kids, the career, the house, the errands, etc. **SEXPERIMENT** shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. **SEXPERIMENT** will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks. **Loving an Adult Child of an Alcoholic** Douglas Bey, Deborah Bey, 2007-05-25. The child of an alcoholic develops patterns of behavior during childhood which carry over into adult life. As children, they were taught to cover up the family secret and suppress their feelings. No matter what is going on as adults, when asked how she or he is doing, your partner will likely answer, "fine." Distrust, fear of abandonment, and sensitivity to criticism are all major issues for your adult child. Recognizing these patterns and changing the ones that cause problems will help you and your partner enjoy a deeper relationship. **Made to be Loved** Stephen B. Bell, Valerie Bell, 1999-01-11. While desired, the idea of spiritual intimacy is scary and even threatening to some couples. They've tried those other couples' devotional books, but sharing Bible study and prayer time together just doesn't come naturally. And when these sharing times seem awkward and manipulated, many couples put the book back on the shelf and simply go on as they were before. If this sounds all too familiar, **Made to Be Loved** is the sip of cool water for your thirsty marriage. Steve and Valerie Bell encourage couples to go beyond treating the symptoms of a marriage that lacks spiritual

intimacy and go straight to the root of the problem The real disease that threatens marriages is spiritual distance from God According to the Bells when a husband and wife invite God into their marriage their perspectives change Hearts are softened expectations become more realistic sexual relations take on a soulful sweetness even fights get better Take your marriage to the next level with the help of Steve and Valerie Bell Develop a deeper love relationship with you God and in doing so create a whole new atmosphere in your marriage
