Books Abroad Roy Temple House,1974 John F. Kennedy's Hidden Diary, Europe 1937 Oliver Lubrich,2023-11-01

Presenting the 1937 diaries of John F Kennedy s tour of Europe this volume offers insights into his early experiences on a continent under the shadow of Nazism In 1937 while still a student John F Kennedy undertook a grand tour of Europe with his close friend and traveling companion Lem Billings On this journey he began to keep a diary which is reproduced here in full and provides an unadulterated account of his thoughts and feelings Superficially it presents a picture of two young men enjoying their summer sightseeing going to the movies bars and night clubs but behind this we find in Kennedy s political observations and encounters the looming shadow of Nazism In retrospect there are blind spots and misjudgments but also insights of great topicality for example on populism and propaganda and its potent effects On this trip and during his later travels in Germany Kennedy engaged with the crucial questions of his later presidency How does a dictatorship work How is an alternative concept of society to be countered And how can an impending war be averted Kennedy s European and Russian policies and also his famous Berlin speech of 1963 Ich bin ein Berliner are to be understood against this background In addition to numerous archive photographs this volume contains Kennedy s complete diary of his 1937 trip to Europe and as a counterpart the Scrapbook of Lem Billings who documented it from his perspective James Dean en het verdriet

edelman met name over het droomleven van de mens handelend How I Earned the Ruptured Duck Leo Bogart,2004

Twenty years old when he entered the army in 1942 Leo Bogart was one of sixteen million Americans who served with the armed forces during World War II Over the next four years he and perhaps the nation came of age In numerous letters home he provided a glimpse into the mind of a young American intellectual whose wartime journey carried him from New York to Germany and from adolescence to experience of the world s complexities As shown by the letters and the narrative that fills in the gaps between them the war engaged him as it did many others long before he put on a uniform After a stint in the Army Signal Corps enlisted reserve he was inducted into active duty and assigned to the ASTP Army Specialized Training Program after which he was assigned to Signal Intelligence The war presented him with a continually changing cast of characters and led him from a series of peculiar experiences with the vast military institution to the battle for Europe and finally to troubling confrontations with the defeated enemy In 1946 Bogart was honorably discharged and like millions of veterans awarded a small gilt lapel pin bearing the stylized head of an eagle nicknamed the ruptured duck The Second World War has been much celebrated in fiction and film portraying perilous exploits death defying bravery and incessant action But

much of war involves inaction and boredom stupid error as well as intrepid ingenuity By showing how life moved from hour to hour and day by day Bogart s running record illuminates some small homely aspects of the war that cannot be found in military histories focused on the marshaling of forces the capture of cities and the casualty counts **Rick Steves'**
