Bedtime Stories from Stripperland B. Lindsay Belan, I had amazing years of experience in night life working as an exotic dancer that made me who I am today and shaped my opinion about men and relationships During my work I have realized lots of men don't know how to treat a dancer this points to the fact that lots of men don't know how to treat a woman This current

book is about certain situations and how men behave in clubs I wrote it with openness and honesty The main idea was while the whole world is judgemental towards strippers nobody really talks about those men who resort to our service The book is basically a bunch of my stories about strip clubs but focusing on the behaviour of the average customers **The**

Taylor, 2022-01-06 The Silent Fraternity takes this controversial issue to the Edge of Ugliness This book is extremely intense

and sections are extremely raw Growing up I always thought that the church the Southern Black Church was supposed to be the safest place on earth Well what a wake up call Revenge an airborne virus can travel with a ravaging force that causes catastrophic damage It can cause overwhelming irreversible destruction to the life lifestyle and well being of an individual or to a large group Dexter B Cavanaugh III a well dressed pit bull in a three piece designer suit disguised as a successful legal gladiator has a severe case of this disease and he doesn't want to be cured On the contrary the potency of his internal condition continues to grow day by day as it feeds on his relentless focus to seek justice He is on a mission to get revenge for the death of his best friend Patrick a mission that is also fueled by a cultural plague that has been perpetuated in the Black Church for decades His death would not be in vain Dexter is complicated The anal retentive overachieving perfectionist as well as four of his close comrades have no shame in admitting that they definitely have their share of issues as a result of their provocative and tumultuous pasts In his journey of seeking redemption he confirms that sometimes you have to make someone go through hell and risk losing everything to get it No one attacks a member of The Silent Fraternity without repercussions even if he is hiding behind the sacred cloth Hell hath no fiery like hurricane Dexter This was personal very personal The Silent Fraternity a moving account of a controversial yet unspoken social issue that has been brewing for decades This book burns through a wide range of emotions

Nolite te Bastardes Carborundorum. Reading Margaret Atwood's "The Handmaid's Tale" and Christina Dalcher's "Vox" in Dialogue, 2020-07-08 Master's Thesis from the year 2019 in the subject American Studies Literature grade 1-3 University of Dortmund language English abstract Recently and especially in 2017 when Donald Trump was inaugurated as President of the United States Women's Marches occurred all over the United States In many of these marches women used symbols from Margaret Atwood's novel *The Handmaid's Tale* such as red cloaks and white bonnets Hauser *Nolite te bastardes carborundorum* perhaps the most quoted phrase of *The Handmaid's Tale* meaning Don't let the bastards grind you

down became a feminist rallying cry during those women's marches. *The Handmaid's Tale* which was written in 1985 regained popularity and relevance due to a rising political power of Christian fundamentalists which led to attacks on women's rights particularly women's reproductive rights. Armstrong. *The Handmaid's Tale* made way for similar feminist novels exploring dystopian futures such as Christina Dalcher's *Vox*. *LaMonica Vox* and *The Handmaid's Tale* are both set in a dystopian future in which the U.S. has become a theocratic state. The women in *Vox* suffer by being limited to speak only one hundred words a day while women in *The Handmaid's Tale* are forced into circumscribed roles for example the role of the Handmaid. These women are subject to ritualized rape. The society in *The Handmaid's Tale* is reminiscent of societies in former human history notably the Puritan society. Atwood. *Age of Trump* whereas the society in *Vox* is more futuristic and influenced by modern technologies as this work will show. In this thesis the patriarchal power structures of the dystopian societies in *Vox* and *The Handmaid's Tale* will be analyzed by examining the sexual politics of patriarchal societies and state power as well as the use of language and punishment. I argue that both novels explore overt and subtle patriarchal structures which have different impacts on the protagonists' identities. The protagonists differ in their strategies of resistance and process their struggles differently. While Jean in *Vox* angrily holds on to her dominant and bold personality and is actively involved in the resistance against the Pure state. Offred is in pain and even numb and passively retreats to her memories and thoughts. Offred's resistance is less politically motivated but rather anchored in her feelings on a personal level.
