s mine now And I don t share Perfect for fans of Bridgerton if the ton drank blood howled at the moon and hexed their exes in the drawing room Wrestling and The New World Order Michael Hur,2015-07-05 The hidden world of professional wrestling Many fans often wonder about the lives of the superstars of professional wrestling Many fans even wonder why so many deaths occurred with their favorite wrestlers This book explores the mysteries and scandals of the professional wrestling going all the way back to the 19th century carnivals to the current mainstream wrestling you see today *Star of the East* Kathryn Guare,2021-11-26 An escapade of stolen treasure with deadly consequences As part time operatives Conor McBride and Kate Chatham are trained for unexpected developments but their current troubles have nothing to do with undercover work Overwhelmed by meddling relatives an engagement party they didn t want and their own short tempers they d welcome any stress relieving antidote They just didn t expect it to appear in the form of stolen treasure buried in a bloody mound of snow on a deserted back road Their startling discovery quickly turns to unstoppable escapade and unlike others Conor barely lived through it feels like a Sherlock Holmes caper more than any MI6 enterprise In pursuit of an unknown thief the mystery sends him north to the border teamed with a deceptively folksy police chief and a sergeant from the Royal Canadian Mounties who s keen for the adventure While they follow a trail of clues into the mountains of Quebec Kate remains in Vermont to identify the treasure and its owner Working with an eccentric gem expert and two FBI agents she learns its incredible history points directly to Fifth Avenue and one of the most celebrated names in New York Once there Kate uncovers an international connection that raises the stakes beyond anything they d imagined The game is afoot and every bit the distraction they wished for but as Conor chases their elusive thief up the St Lawrence Seaway and into the teeth of a blizzard the odds of missing his own engagement party grow with every mile Even more troubling the whispered warnings of his sixth sense are proving once again prophetic Their escapade is turning deadly looking more like an MI6 mission after all Now he and Kate will need all their operational skills to finish what they started and to make it home alive
