

The background of the cover features a complex geometric design. It includes a coordinate system with a horizontal axis and a vertical axis. Several lines and curves are plotted: a straight line with a positive slope, a curve that is concave up, and another curve that is concave down. The background is divided into several colored regions: a teal region in the top-left, a light purple region in the top-center, a dark purple region in the top-right, a dark blue region in the middle, and a light blue region in the bottom-right. The text is overlaid on these regions.
