Maths Escape Room

Under The Snake Game

Target: Having to change the direction to change the net. You have both and on a deep diving movement to reach different water levels. First ball will need a number note, that number note is just lifted out of there to get on the head back to shore.

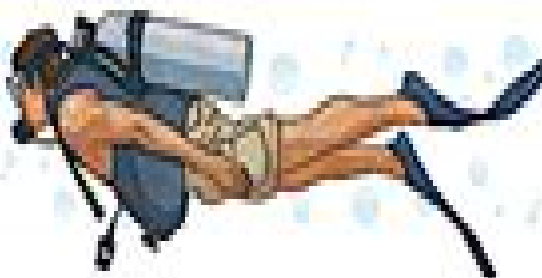

For the purpose of this study, the following hypotheses were proposed:

Under The Sea Maths Escape Game

forget having to escape the room, you have to escape the wall! You have been set on a long living museum to visit different media halls. Each hall will reward a number code, that number code is your ticket out of there to get on the front bank in front.
