Go Make Disciples Brad Francis, 2015-06-01 Go therefore and make disciples of all nations Right before ascending into heaven Jesus stood on a mountain and delivered the Great Commission instructing all His followers to make disciples of all nations Promising He would always be with us He drifted up into the clouds Two thousand years later our objective remains and we steadfastly Wait what Make disciples of all nations How do you do that Jesus early followers knew precisely what to do They knew because the Messiah had spent the three years prior turning them into disciples They followed His example and turned the world upside down Acts 17 6 and that example is left for us as well In *Go Make Disciples* bestselling author Brad Francis takes us through the five aspects of discipleship that Jesus regularly practiced example evaluation education equipping and experience Discover how Jesus took a dozen ordinary uneducated men and turned them into Christ followers who boldly reached their world with the Gospel After seeing how Jesus made disciples Brad also offers ideas about how we can adapt His methods for our modern world Whether you've personally been involved in discipling hundreds or whether you've never known how to even take the first step toward making disciples *Go Make Disciples* provides a strong biblical foundation for following Jesus commands If the Great Commission applies to you so does this book *Go . . . Then the author explains Jesus's only two commands love God and love one another Finally the author spends time on what to teach others ways in which you and Christ can really dive deep and get to know each other The result is a radically renewed way of thinking about being a disciple not merely an occasional churchgoer and making disciples and life itself and how this concept can shape a way of living that affects every relationship you have This is not some concept that worked only in Jesus's day but one which works today in our world as illustrated and attested to by the author 2 **Making Him**

Time Is Of The Essence David Harder, Del Downs, Gary Harder, 2021-03-01 Our original book of devotions is based on the song lyrics from Time Is Of The Essence In the book we share Scripture lessons and life experiences that relate to the message of each song God works in mysterious ways Getting the three writers together to do this book bordered on the miraculous The varied backgrounds and experiences that prepared the writers for this book made for an incredible mix but only touches on their individual life stories The idea of writing devotions about the music they were already working on was inspired Sit back and dig into these stories and further into God's Word to see what He has to tell you

God and the Spiritual Tsunami Kjell Axel Johanson, 2018-06-22 God is clearly at work today There is a cultural political and religious metaphorical tsunami gathering power under the surface of ordinary world events and when it is fully released it will turn the world as we now know it upside down Thousands upon thousands of Muslims Buddhists Hindus and nominal Christians become followers of Jesus Christ every day and the effects are enormous The premises of this book are There is a God and the belief in God is a moral and not an intellectual question God created mankind out of his goodness as his representatives on Earth Since God is by nature good and generous the essence of sin is to doubt this goodness and walk away from him God nonetheless continues to seek man in order to bless him and he has an encompassing plan to accomplish that purpose He began this purpose through his covenant with Abraham and is fulfilling it through Jesus Christ Contemporary evidence of this purpose can be seen clearly in what he is doing right before us We see it in the nation of Israel through the growth of the church and the persecution of the church
