accumulation of wealth Dr Neo wishes that those who are interested in professional network marketing would find this book valuable practical and helpful for their financial and personal future **Beyond The Secret** Alexandra Bruce,2007-09-01 Based on a best selling documentary film of the same name this books presents the Law of Attraction which according to the tagline has traveled through centuries to reach you By synthesizing how to get rich ideas from classic self help books by Wallace D Wattles The Science of Getting Rich Napoleon Hill Think and Grow Rich and Charles Haanel The Master Key System with twenty five modern day self improvement gurus like Jack Canfield Bob Proctor Michael Bernard Beckwith James Ray Lisa Nichols and Joe Vitale author Rhonda Byrne and her team have created an almost alchemically rich and compelling promise They claim that The Secret was discovered by such historical luminaries as Plato da Vinci Galileo Napoleon Hugo Beethoven Newton Edison and Einstein that The Secret has existed in fragments in religions philosophies and oral traditions for centuries but only now has it all been put together The Secret is everything you have dreamed of and is beyond your wildest dreams trumpet the marketing materials Could it really be true or is it just a new spin on the very old and decidedly not secret the power of positive thinking wedded to ask and you shall receive Alexandra Bruce goes behind the scenes to investigate the phenomenon from its roots in Australia to the sales bonanza that has seen creator Rhonda Byrne become the most successful debut author in memory Bruce takes a hard but fair look at the teachers featured in The Secret and the Law of Attraction that is the central theme To truly understand the significance of The Secret perspective is needed Beyond The Secret delivers that and much more **Subject Guide to Books in Print** ,1993 **The Answer** John Assaraf,Murray Smith,2008-12-26 At any one time hundreds of thousands of people feel stuck professionally and don t know what to do to get out of their rut In today s complex business world the brutal reality is that there are no guarantees for success Surprisingly many of us are unconsciously conditioned to fail although ironically it s not all that difficult to dramatically reverse the odds John Assaraf has developed a unique and amazing formula that will help people overcome obstacles transform their careers and businesses and start making the kind of money needed to live an extraordinary life In his latest book The Answer Assaraf draws on new findings in neuroscience understanding why we do what we do and more importantly why we don t do what we know we should be doing His methods will help individuals rewire their brains for success so they can emerge as winners no matter what they currently know or understand It will also teach them how to attract and use newly discovered uncommon sense to achieve business success **The ABCs of Success** Bob Proctor,2015-06-09 An accessible guide to the principles of success by one of the most respected and sought after motivational speakers of our time In the tradition of Og Mandino and Zig Ziglar this inspirational guide uses a wide variety of subjects from Achievement to Worry to bring clarity information and motivation to readers For millions of readers Bob Proctor s name is synonymous with success A former prot g of personal development pioneer Earl Nightingale Proctor first built a wildly successful business career and then an internationally successful speaking career elaborating on the principles of Napoleon Hill s Think and Grow Rich and other classic success

and prosperity texts Proctor's position in the business motivation community equals that of Stephen Covey or Og Mandino. But as is not the case with those masters, his books have never been available to the general public until now. In *The ABCs of Success*, the first trade book ever published by this master of motivation and prosperity, Proctor goes beyond the simple laws of success and attraction, weighing in on sixty-seven different topics essential to all those who wish to make their dreams a reality, including persistence, winning effectiveness, and vision. Organized in A to Z fashion and composed of brief essays that can be read over and over, *The ABCs of Success* is an essential resource for anyone who wants the combined wisdom of a century of success thinking in a single accessible volume.

Power Goals Christina Skytt, 2013-12-04. The Ultimate Guide to Achieving Your Goals. If you've ever felt frustrated in the pursuit of your goals or have trouble setting them in the first place, then you need **POWER GOALS**, the life-changing system that's proven effective with people from all walks of life and backgrounds. Now it's available to you. **Power Goals** guides you through a nine-step process for setting and achieving goals: mapping out the starting point, setting powerful goals, creating a vision, addressing your pre-programming, assembling a supportive team, taking action, handling turbulent situations, maintaining a positive attitude, and celebrating the achievement of your **Power Goals**. This book will change your life in ways you never thought possible. Bob Proctor featured Teacher in *The Secret*. What is a **POWER GOAL**? A **Power Goal** is more than just a goal. It's an extraordinary transformative tool for success. It's a goal you set to change your life, attract new opportunities, and put you in front of the right people. It's a goal that up levels your every activity and relationship. It is something **SO BIG** you have never come close to it before. It is something **SO SCARY** you have no idea how to achieve it. But it is something **SO DESIRABLE** you are willing to do anything to achieve it. If you are ready to bring your life up a level, give yourself the gift of **Power Goals**. Combine the principles presented in **Power Goals** with determination and persistence, and the results will be life-changing. Get ready to transform yourself for success.

*The Goal Achievers Journal* David Barton, 2016

The Goal Achievers Journal has been designed to maximize your exposure to your goals Whatever you think about most of the time will find its way into your world Whatever you give your attention to will begin to appear in the world around you Now this would be a

good thing were it not for a small problem most of us have Usually the types of thoughts that occupy our minds are on the things we are trying to avoid or don't want in our lives Rather than thinking about what we want we spend far more time thinking about the things we don't want Consequently we get more of what we don't want while our dreams and desires go unfulfilled The Goal Achievers Journal can help you turn this situation around If you want to be more get more and do more with your life and time then you need to start thinking more about these things sow them regularly into your mind and spend more time thinking about them As you do this solutions will begin to emerge people and places will appear and you will notice you gradually start achieving more of your highest goals and richest desires You are an integrated whole Your thoughts feelings and behaviors are inextricably connected What you think will produce congruent feelings which will consequently cause you to behave in a certain way Everything will work in a consistent harmonious manner If your thoughts are on your goals and highest priorities then you will begin acting in ways which will bring these goals to fruition The Goal Achievers Journal is designed to help you process your highest goals on a consistent basis install them deep into your subconscious mind so that you begin to automatically pursue them and think about them so often they can't help but come true If you feel like you have been drifting or that your life is going nowhere then why not give the Goal Achievers Journal a try You might be surprised at what you can achieve when you put your mind to it
